

Access to Campus Buildings

Campus buildings are locked from 11:00 p.m. until 6:00 a.m. every day. To gain access during these hours or any other time that the campus is closed you must contact the Department of Public Safety/Campus Police (4226) to gain entry. Inform the operator who you are and what area you wish to gain entry. A Police Officer will respond. After verifying ID and reason for request the Officer can then provide access to the building. The Officer will then make a notation in his or her Daily Activity Log indicating the request.
