

Bookstore

Updated September 2014

All textbooks, normal classroom supplies, and academic caps and gowns can be ordered through the exclusive contract with our outside vendor.

Books must be ordered well in advance of the beginning of classes, since most publishers require four to six weeks for delivery. Forms for ordering adopted textbooks are available in the Bookstore.

It is the instructor's responsibility to notify the Bookstore manager whether textbooks will be used again. In order for the students to receive optimum pricing at buy-back, textbook adoptions must be met. Publishers will not accept return of books after a period of one year, and many publishers will accept only a 20 percent return of the original order.

Students have the option to purchase books new, used, in an e-book format, or through a rental program.
