## COURSE NUMBERING SYSTEM

- **Courses #001-099** are preparatory to college-level work, may carry credit hours applied to total hours earned for graduation and fulfill only general elective credit.
- **Courses #100-199** are introductory courses or sequences of courses with no departmental prerequisites, that introduce basic skills, techniques, concepts, or questions of the field.
- **Courses #200-299** continue the introduction to the field beyond the 100-level or introduce the field by focusing on a major area in the field. Such courses may not have departmental prerequisites but are designed for students with some college experience.
- **Courses #300-399** are advanced courses that depend on previously learned knowledge and skills in the discipline or a maturity of skills in critical thinking. In such courses, students are asked increasingly to employ the tools of the discipline in response to basic questions. Ordinarily these courses have prerequisites or require junior standing.
- **Courses #400-499** require students to do more independent work, often involving the creation or synthesis of knowledge using previously learned skills, and these courses usually are designed for the major.
- **Courses #500 and above** are graduate level/credit courses. A student must be in a graduate program to earn graduate credit for these courses.

## ALTERNATIVE LEARNING FORMATS

Designed for busy adults, the Mount offers you the opportunity to complete uniquely designed courses and degree programs that meet in nontraditional time frames.

**Standard evening** classes meet one night a week from 6:30 p.m. to 9:20 p.m. There is no pre-assignment for this format.

**Plan A and B accelerated** classes meet 6 p.m. to 9:30 p.m. every other week in the evening or on Saturday from 8:30 a.m. to noon and 1 p.m. to 4:30 p.m. A pre-assignment is required and the learning outcomes depend on a commitment by the student to do extensive work between the class sessions.

**Plan J and K accelerated** classes meet in a seven week consecutive model. There is a one week break followed by a second course with seven consecutive class meetings. As with Plan A/Plan B, there is a pre-assignment for these intensive format courses so that students will be well prepared the first day of class.

When designing your schedule, you might want to combine one standard evening course with two consecutive courses providing the opportunity to achieve nine hours in one semester while studying for two courses at a time. Three areas of study, business administration, social work and accounting, offer major courses in these two formats for that very reason. It provides the working adult with an opportunity to finish faster.

**Attendance** – Specific dates and times are listed under each course offering. Attendance at each class session is mandatory in order to achieve established learning outcomes.

**Pre-assignments** – Go to <http://inside.msj.edu> and click on Syllabi/Pre-assignments for specific instructions for each pre-assignment.

**Registration** – In order to thoroughly prepare for the accelerated courses, you should register and start the pre-assignment about three weeks in advance. Traditional students may not register for accelerated courses without the specific approval of the course instructor.

**NOTE:** This document was published in July 2010 with information available at that time. Visit Course Schedules at <http://inside.msj.edu> for the most current information about courses.

## UNDERGRADUATE AND GRADUATE NON-DEGREE STUDENTS

Non-degree (non-matriculated) students are those taking classes who have not been accepted to the College and are not enrolled in a degree program. Non-degree seeking students need not apply for admission. Such students must apply and be accepted through the appropriate office to become degree-seeking students. Non-degree seeking graduate students may earn a maximum of nine semester credit hours under a non-degree seeking status. Non-degree traditional students must sign a clearance form prior to registration. Forms are available in Student Administrative Services.

Traditional students (those out of high school fewer than four years) must obtain formal admission to the College before acquiring more than 13 credit hours. Non-degree traditional students are limited to two courses (six credit hours) per semester or during the entire summer session until reaching the 13 credit hour limit. Traditional transfer students in good standing from an accredited college or university may take their 13 credit hours in one semester or an entire summer session. Students seeking licensure only are excluded from this policy. This policy is implemented at the discretion of the Chief Academic Officer.

## REGISTRATION PROCEDURES – GRADUATE & UNDERGRADUATE STUDENTS

### CRITICAL INFORMATION REGARDING YOUR REGISTRATION

This message is intended for all sophomore and freshman students:

To make registration as efficient as possible for the fall and summer semesters, each class will be divided into two registration groups. On the morning that registration opens, half of the class will begin to register at 6:00 a.m. and the other half will begin at 6:30 a.m. The system will make the random group assignments. At 7:00 a.m. registration will be open for the entire group.

Students should:

- Watch their e-mail for notice of registration time. In addition to the Student Information page, Registration, will show the registration time.
- Be prepared. After meeting with their advisor, students should have the registration worksheet ready on the morning of registration to use as a reference.
- Be on time. Students beginning at 6:00 a.m. will have until 6:30 a.m. to complete their registration. Students beginning at 6:30 a.m. will have until 7:00 a.m. to complete their registration. Both groups will have full access to the system at 7:00 a.m. for any unfinished business.

As a reminder, sophomores in the first group will begin to register at 6:00 a.m. on 4/6/10. The second group of sophomores will begin at 6:30 a.m. on 4/6/10. All sophomores will have full access beginning at 7:00 a.m.

Freshmen in the first group will begin to register at 6:00 a.m. on 4/8/10. The second group of freshmen will begin at 6:30 a.m. on 4/8/10. All freshmen will have full access beginning at 7:00 a.m.

The Mount's Web registration offers students the most convenient and technologically current method of scheduling classes. The week of March 22, the Mount Web site will provide reminders about Web registration details. Currently enrolled students will use their previously assigned "keys" to Web registration access – an eight-character Web password and Mount I.D. number (user name). Students are encouraged to change their passwords as soon as they access Web registration the first time. Students are also reminded that the Web Student Instructions are located on the Web site. They are there to provide additional support for Web Registration and can be printed by opening them and using [Control P].

(UPDATED JULY 15, 2010)

Before using Web registration, please note:

- Web current option setting for First Semester (S111) is: First Semester 2011. Select UNDG = for students in an undergraduate program, or GRAD = for students in a graduate program. Options setting for summer is S410.
- User name = the Mount ID #; password = eight-character (case sensitive) PIN/password.
- Students need to meet with their advisor to plan a class schedule. Select alternate class options in case a preferred class is not available.
- Graduate students in education and physical therapy must have advisor clearance before registering on the Web. Graduate students in religious studies, nursing and organizational leadership do not require advisor clearance before registering on the Web.
- Traditional students must have advisor clearance before registering on the Web.
- Adult students in the following majors: nursing, education, social work, biology, and chemistry must also meet with their advisor to plan a class schedule. All students with these specific majors must have advisor clearance before registering on the Web.
- Adult students in majors other than those listed above are encouraged, but not required, to meet with an advisor prior to registration. Advisor clearance for Web registration is not required in majors other than those listed above.
- All students registering for a course that requires approval from the instructor or a program director (e.g., Co-op, Honors courses, Service Learning, or an auto study), need the instructor or program director to give Web authorization prior to registering on the Web.
- Go to <http://inside.msj.edu> and click on Syllabi/ Pre-assignments for specific instructions for each pre-assignment. The pre-assignment must be completed prior to the first class.
- Special circumstances for registration need to be handled in-person in Student Administrative Services. These include classes being taken for pass/fail or audit, or a registration schedule that totals more than 20 credit hours, which requires permission from the Chief Academic Officer. (For undergraduates there is an additional per credit hour tuition charge for every hour over 18 credit hours.)
- Consortium registrations are processed in the Registrar's Office.

**NOTE: This document was published in July 2010 with information available at that time. Visit Course Schedules at <http://inside.msj.edu> for the most current information about courses.**

Refer to the *2010-2011 College Catalog* at [www.msj.edu/catalogs](http://www.msj.edu/catalogs) for additional information.

- Students will be expected to have met the specific course prerequisites (or the transfer credit equivalent) before adding a class/section with prerequisites. Students currently registered in a prerequisite course will not be blocked from adding a class with the specific prerequisite. Students blocked from adding a class because of unmet prerequisites need to consult with their academic advisor.
- All students registering for a course that has a co-requisite (e.g., any course with a lab, course with a service learning component, etc.) need to register for the lecture portion of the course first, the lab second.
- If a time conflict exists that has been approved by both instructors, students will need to have electronic authorization from one of the instructors before they register. The instructor will add his or her “electronic signature” to the course to grant you authorization to register.
- Any student with a financial “hold” on his/her account will need to work with Student Administrative Services to remove the hold prior to registering.
- Any student with a security “hold” on his/her account will need to work with Campus Police to remove the hold prior to registering.
- Students are strongly encouraged to meet with their advisor before adding and/or dropping classes. Changing a schedule without the assistance of an advisor is strongly discouraged.
- The College of Mount St. Joseph provides academic advising to degree-seeking students. However, the final responsibility for meeting all program/degree requirements and being informed of College regulations and procedures is the responsibility of the student.

Registration assistance is available in Student Administrative Services during normal office hours.

Students not currently enrolled in Second Semester 2010 (S210) may begin to register on April 12, in Student Administrative Services, Conlan Center.

Students may “**wait-list**” in Web registration for the opportunity to be registered into a closed class. If a closed class re-opens that has a wait-list, students will be called in the date/time order they were wait-listed. If called, the student has the option to drop his/her wait-listed status and add the class to his/her registered courses, or decline the class space. Wait-listing for Plan A classes and consecutive delivery classes which start the week of August 23 will end August 16, 2010. Wait-listing for Plan B classes, which start the week of August 30, will end August 23, 2010. Wait-listing for standard first semester day or evening classes will end August 20, 2010. Wait-listing for consecutive delivery courses starting October 19 ends October 12.

## New Students

Graduate students who have never been enrolled at the Mount should contact the Graduate Admission Office. New undergraduate students should contact the Undergraduate Office of Admission. New adult and graduate students not currently enrolled may begin to register on April 12, 2010.

## Advising

Academic advising is available to all degree-seeking students at the College. Traditional students are required to meet with their advisor before registering for class. Registration clearance on the Web must be provided by the academic advisor.

Adult students are encouraged to meet with or talk with their advisor before registering for classes. Advisor registration clearance for adult students is required for certain majors: nursing, education, social work, chemistry, and biology. Graduate education and physical therapy students must have advisor Web clearance to register.

If you have not yet been assigned to an advisor, contact the academic department of your major. Students who are admitted into the PASS program; who have not declared a major or who are pending official acceptance through Admission are advised by an advisor in the Academic Advising Resource Center.

In the interest of quality service to our students, all advising during advising season, is done on an appointment basis. Refer to the *College Catalog* under “Academic Advising” for the expected role of the student and advisor.

### Add/Drop Policies

Adding or dropping classes for standard day and evening classes may be done on Web registration through the first week of classes (August 27). Adding or dropping classes for Plan A Accelerated evening/Saturday classes and consecutive delivery classes that start the week of August 23 may be done on the Web through August 16, 2010. Web access for Plan B accelerated evening/Saturday classes that start the week of August 30 will end on August 23, 2010. Adding or dropping classes for consecutive delivery classes that begin on October 19 may be done on the Web through October 12. In-person requests to add or drop a class must be made in writing to Student Administrative Services. Any student who fails to process an add/drop will receive a grade of FA (failure due to absence). Any student who does not officially add a class will not receive credit or a grade for course work. After Web registration closes for first semester, students must submit an add/drop form with any required signatures for processing in Student Administrative Services.

After the first week of standard day and evening classes, an instructor's signature is required to add a course. In accelerated evening/Saturday classes, students may not add a course after the first class meeting. For assistance in adding or dropping classes contact Student Administrative Services.

### Course Withdrawal (Drop) Policy

Each semester is broken down into three withdrawal periods. Classes officially dropped during the first withdrawal period are removed from the student's academic record. A grade of "W," for withdrawal, will be assigned to any classes dropped during the second withdrawal period. The "W" grade is not calculated in the student's grade point average. ### Auditing Courses

Students may audit courses (except auto-study options) on a space-available basis as determined by the instructor and the department offering the course. Registration in a class for "audit" needs to be done in-person (not on Web registration) in Student Administrative Services, Conlan Center. A course may be audited only one time (except in topics courses where the content varies with each offering). Audited courses earn zero credit hours. Audits require the signature of the instructor. Full-time students (12 or more credit hours) may audit classes tuition-free. Other students pay half price for audited courses. Lab fees for audited classes are additional for all students.

Baccalaureate alumni of the college may audit courses (except auto-studies) on a space-available basis for \$50.00, plus any lab fees, provided the appropriate academic prerequisites have been completed.

If a student wishes to change from audit to a grade or vice versa, the change must be made in Student Administrative Services, the Conlan Center, during the first five weeks of the semester.

### Independent Learning Contracts

Independent learning courses (Independent Studies, Internships, Advanced Studio Problems in Art, and Directed Research; Auto Studies are exempt) require the completion of a learning contract.

Any student seeking credit through an independent learning opportunity must contact the instructor to discuss and complete a learning contract.

## ONLINE CONSORTIUM OF INDEPENDENT COLLEGES AND UNIVERSITIES

---

The Mount is now a member of the Online Consortium of Independent Colleges and Universities (OCICU). The purpose of the OCICU is to provide students with a means of taking online courses not offered at the Mount.

**Undergraduate adult students and advisor-approved traditional seniors** are eligible to enroll. New students are limited to six OCICU credits in their first semester at the Mount.

OCICU courses are all **eight week accelerated courses** and will be **offered on a space available basis**. Mount students are charged Mount tuition when registering through the Online Consortium. Students registering for OCICU courses follow the academic calendar of the provider school. Deadlines for course withdrawals are within the first five (5) days of the courses. Tuition refund schedules do not follow the standard MSJ format. Students may be subject to an enrollment fee per course, depending on the actual withdrawal date.

OCICU registration occurs through the Mount's Web registration **after** the advisor/department chair has given course authorization.

## GREATER CINCINNATI CONSORTIUM OF COLLEGES AND UNIVERSITIES

---

Full- and half-time degree-seeking students, both undergraduate and graduate, are eligible to enroll in the Greater Cincinnati Consortium of Colleges and Universities cross-registration program. Degree-seeking Mount students may enroll in a maximum of two courses or six semester hours in Consortium courses each academic year (first semester/Term I, second semester/Term II, and summer sessions combined are considered one academic year). Enrollment in Consortium courses must occur concurrently with enrollment at the Mount. Courses taken through the Consortium may not exceed a total of eight courses or 24 semester hours in a student's total baccalaureate degree program. In an associate degree program, Consortium courses may not exceed four courses or 12 semester hours. A maximum of only two courses or six semester hours may be taken through the Consortium during the student's final 30 hours of Mount residency.

Extenuating circumstances may require an exception to the Consortium cross-registration policy. Appeals for exceptions must be submitted in writing to the Chief Academic Officer. Consortium cross-registration must be done in person (not on Web registration) in the Academic Advising Resource Center. Courses are offered on a space available basis. Mount students are charged Mount tuition when registering through the Consortium. The purpose of the Consortium is to provide students with a means of taking courses not offered at their own college.

The following schools are members of the Greater Cincinnati Consortium: Art Academy of Cincinnati, The Athenaeum of Ohio, Chatfield College, Cincinnati Christian University, Cincinnati State Technical and Community College, College of Mount St. Joseph, Gateway Community and Technical College, God's Bible School and College, Good Samaritan College of Nursing and Health Science, Hebrew Union College-Jewish Institute of Religion, Miami University, Northern Kentucky University, Thomas More College, Union Institute & University, University of Cincinnati, Wilmington College, and Xavier University.

Cross-registration is completed as follows:

1. Obtain a signature of approval from your academic advisor on a consortium registration form. The student may wish to call the host school's office to determine the availability of space in the course(s).
2. Complete the cross-registration paperwork in the Mount's Academic Advising Resource Center.
3. Developmental courses taken through the Consortium that are similar in content to those offered at the Mount will be accepted as general electives; however, those courses that are not applied toward a degree at a host institution will not be accepted.
4. Take the cross-registration form to the Registration Office of the school where the course will be taken. Specific times/dates are scheduled for this purpose, and are available for student reference in the Academic Advising Resource Center.

If a change in enrollment status (add/drop) is made, the procedure must be completed at both schools.

## SERVICE LEARNING PLUS-ONE OPTION

The Service Learning program provides an option for students to integrate a community service project with a course they are currently taking. Students are invited to enroll for a course offering the Plus-One Credit or may request instructor approval to add the Plus-One Option to another course. Service Learning courses follow the lecture course in the course listings. Attendance at an orientation session and the Service Learning coordinator's approval on the Web is required before adding this option. Students are not charged for the Plus-One Credit. Participants complete a learning agreement that will document the Plus-One Service Learning objectives, student expectations and evaluation criteria. Students will be expected to complete a minimum of 30 hours on-site with identified community organizations. Students are also required to participate in an orientation and a guided reflection session. The extra credit hour is pass/fail, is classified as a general elective and will be documented as Service Learning on the students' transcript. Students may register for only one service credit in an approved course during a semester and may accumulate no more than three transcript-documented Plus-One Option credits.

The Plus-One credit cannot be added as a 12th credit hour to create full-time status.

## PAYMENT OPTIONS

### Financial Aid/Student Loans

Students are encouraged to apply early for financial aid in order to have a "package" by the confirmation date. Awards are made on a first-come, first-served basis as long as funds are available.

Students who plan to be enrolled at least half-time, looking for a long-term financing vehicle might want to consider student loans available through the financial aid programs. These loans offer more favorable terms than most credit programs available to students. Please contact Student Administrative Services at (513) 244-4418 for details regarding student loans and the availability of other types of financial aid, or visit our Web site at [www.msj.edu](http://www.msj.edu).

### The TMS Interest-Free Monthly Payment Plan

Tuition Management Systems Interest-Free Monthly Payment Plan offers students a monthly payment plan option that allows students/parents to spread their education expenses over 8-10 manageable monthly payments. Instead of a semester lump-sum payment, the plan allows students to budget all or part of their education expense into manageable monthly installments.

For more information and an enrollment form visit their Web site at: [www.afford.com](http://www.afford.com) and or call (800) 356-8329.

### Payment by a Third Party

The College will bill directly any third party (employers, Armed Services, BVR) for tuition and fees. Any special forms required by the third party's policy must be presented to Student Administrative Services prior to the confirmation date. If the original authorization indicates extended (annual or degree completion) coverage, the College will use that validation for our confirmation process as long as the dates remain in effect, the student continues with the third party, and the third party maintains timely payments. Monthly statements will continue to be sent to the student until the account is paid in full.

Any questions regarding third party billing should be directed to Student Administrative Services.

### Tuition Deferment Plan

The Mount offers a tuition deferment plan for students with employer tuition reimbursement. Payment of one-third tuition charges plus a non-refundable \$15.00 administration fee are due before the confirmation date. Also, a photo copy of the employer's tuition reimbursement policy and a completed Mount tuition deferment form stating eligibility for reimbursement must be submitted. Contact Student Administrative Services at (513) 244-4418 to sign up for the Tuition Deferment Plan, or visit our Web site for more information and/or forms.

### Religious and Pastoral Studies Ministry Tuition Grant

Students enrolled in the religious studies graduate program, who are paid or volunteer ministers serving in congregations, hospitals, health care facilities, social service agencies, dioceses, and schools are eligible to receive the Mount's Religious and Pastoral Studies Ministry Tuition Grant. This grant reduces tuition to \$325 per credit hour. Verification of employment/volunteer service and submission of FAFSA form are required.

### Tuition Reduction Schedule

Tuition reduction for dropped classes is based on the date the add/drop form is received by Student Administrative Services. The postmark date is used if the form is mailed to Student Administrative Services (adult students only). The reduction rate is valid through the last business day of each reduction period.

Reducing the number of credit hours you are enrolled in each semester may also reduce financial aid.

(UPDATED JULY 15, 2010)

### Federal Aid Refund Policy –

#### Complete Withdrawal from the College

Through the 60 percent point in each semester, a pro rata schedule is used to determine how much federal student aid the student has earned at the time of withdrawal. After the 60 percent point, a student has earned all of the federal aid funds for that semester. The withdrawal date is either 1) the date that the student began the withdrawal process; 2) the date that the student otherwise provided official notification to the school of the intent to withdraw; 3) the midpoint of the payment period for which federal assistance was disbursed or a later date documented by the school; or 4) in special circumstances, a date determined by the school. Please see the College Catalog for details on the withdrawal process.

If the day the student withdraws occurs on or before the student completed 60 percent of the semester, the percentage of federal funds earned is equal to the percentage of the semester that has been completed. The percentage of the semester completed is determined by the number of calendar days completed at the time of withdrawal divided by the total number of days in the semester. Unearned funds are returned to the federal aid program in the following order: 1) Unsubsidized Federal Stafford Loans; 2) Subsidized Federal Stafford Loans; 3) Perkins Loan; 4) Federal PLUS Loans; 5) Federal Pell Grants; and 6) Federal Supplemental Education Opportunity Grants.

#### Service Fees

Service fees are added to unpaid student accounts at a monthly rate of 1 1/2 percent. Payments must be received by the 20th of the month to avoid service fees.

#### Refunds

Student account refunds are processed automatically once a credit balance is generated on a student's account and all charges are posted for a term. Students may make a refund preference by accessing their Web registration screen online. Refunds will be processed within 14 days of the credit being generated on the account.

## GRADES

Students have full access to their grades via the Web when submitted by the instructor. Grade reports will be mailed only upon written request to the Registrar's Office, Conlan Center. NR grades indicate that grades have not been reported by the instructor. Please contact your instructor with any questions.

## INCOMPLETE GRADES

---

Students must initiate requests for an I (incomplete) grade with an instructor prior to the scheduled final exam or the final scheduled class for accelerated courses. I (incomplete) grades are only assigned by an instructor for a student who has made significant academic progress in the course, but for a serious reason has not fulfilled all course requirements. I Grade Petitions are available in each academic department.

### I Grade Conversion Schedule

I grades convert to F grades on the following schedule: fall semester I (Incomplete) grade change to F = last day of spring semester; spring semester I (Incomplete) grades change to F= the end of 3rd week of fall semester; summer session I (Incomplete) grades change to F = the last day of fall semester.

## CORE CURRICULUM REQUIREMENTS

---

Undergraduate students admitted to the College of Mount St. Joseph, pursuing baccalaureate and/or associate degrees, must fulfill the requirements of the Core Curriculum as an integral part of their course of studies. These requirements are described at [www.msjeu.edu/catalogs](http://www.msjeu.edu/catalogs). All of the listed degree requirements must be satisfied before a diploma or transcript with the degree noted will be released.

Students who transfer to the Mount need to consult with their academic advisor for transfer Core LAS requirements, which provides flexible use of transfer courses into the Mount's core curriculum.

**NOTE: This document was published in July 2010 with information available at that time. Visit Course Schedules at <http://inside.msjeu.edu> for the most current information about courses.**

**Refer to the 2010-2011 College Catalog at [www.msjeu.edu/catalogs](http://www.msjeu.edu/catalogs) for additional information.**

## STUDENT RESPONSIBILITY

---

The final responsibility for fulfilling the requirements of a course syllabus in each class, for meeting all program/degree requirements, and for complying with College regulations and procedures is the responsibility of the student. The College of Mount St. Joseph provides academic advising. Students should consult with their academic advisor when selecting courses or making adjustments in their course schedule. Students are expected to attend advising appointments having prepared a tentative schedule of classes.
