Graduate Student Incomplete Request Form

Graduate students may request an Incomplete "I" grade ONLY if they have made significant academic progress in a course of at **least 50% course requirement completion**, and plan to complete the work before an agreed upon deadline. Incomplete grades do not contribute to the semester or cumulative grade point average, and are not calculated in academic standing until replaced by a grade. Full incomplete policy can be found in the Graduate Catalog.

<p>Student is required to check the following as completed:</p> <p><input type="checkbox"/> I have discussed the possibility of an incomplete grade with the instructor, including the option of withdrawing from the course.</p> <p><input type="checkbox"/> I have completed 50% of the course requirements, and for a serious reason am unable to complete the remaining requirements by the end of the course.</p>	<p><input type="checkbox"/> I will complete the work without "sitting in" on the same course in the upcoming semester.</p> <p><input type="checkbox"/> I will complete the course work by the completion date mutually agreed upon.</p> <p><input type="checkbox"/> I understand that if an "I" grade is not changed by the time specified in the grade conversion schedule, the "I" grade will automatically convert to an "F" (failing) grade. (see below)</p>
