How to Record your Video for 2020 Welcome Week Service Day

Enhanced Book Reading:

1. Identify the book that you would like to read, but try to find a book that would be appropriate for preschool-3rd grade. Ideally, it should take you 15 minutes or less to read the book. Make sure it is a book with rhyming and/or rich vocabulary. Identify the rhyming words or vocabulary words that you would like to highlight after you have completed the reading. Read through the book a couple of times before you film to make sure there is nothing that seems questionable to you and to make sure you’ve mastered any tricky words.

2. Find a comfortable space with appropriate lighting to record your reading. Find your MSJ branded clothes to wear during the video.

4. At the end of the reading, have a 1 minute rhyming or vocabulary review:
   a. For a rhyming review, ask: “What rhyming words did you hear?”, then pause, and then identify some of the rhymes that were included in the book.
   b. For a vocabulary review, ask: “What new words did you hear in this story?”, then pause, and then identify a vocabulary word from the book/ provide the definition and then use the word in a sentence.

5. When you are finished recording your video, upload it to your personal YouTube channel. If you have confirmed your Google account, you will be able to upload videos of 15 minutes or longer. If you have not confirmed your account, you will be limited to videos of less than 15 minutes. After the video has uploaded, when choosing your privacy setting, make sure that the video is accessible via hyperlink.

6. Send the hyperlink to keith.lanser@msj.edu by the end of the day on August 28. All of the hyperlinks will be aggregated into one list, which will be shared with the community partners.
