eCAMPUS ONLINE BOOK ORDERS

MSJ provides an online bookstore managed by eCampus. Through the bookstore website *msj.ecampus.com*, students are provided with several affordable options for purchasing their textbooks, including purchasing new or used print textbooks, renting print textbooks, and purchasing or renting access to digital copies. Students can choose to have their textbooks delivered to their residence or to an on-campus delivery hub, located in the MSJ campus store. Next-day deliveries sent to the eCampus delivery hub are free for students. eCampus also provides a price-matching guarantee. Students can choose to sell their textbooks to eCampus at any time through the website. Contact eCampus for assistance with purchasing textbooks by clicking on the “Help” link at the top of the bookstore homepage. (Please note: textbooks are no longer sold through a physical campus bookstore; the MSJ bookstore is now online only.)
