eCAMPUS ONLINE BOOK ORDERS MSJ.eCampus.com: The official Mount Textbook Bookstore

MSJ provides an online bookstore managed by eCampus. Through the bookstore website *msj.ecampus.com*, The Mount's official textbook bookstore is managed by eCampus and is located at <https://msj.ecampus.com> (Note: there is no on-campus textbook bookstore; all required textbooks are available for purchase at this online bookstore.) Students are provided with several affordable options for purchasing their textbooks, including purchasing new or used print textbooks, renting print textbooks, and purchasing or renting access to digital textbooks. Students can choose to have their textbooks delivered to their residence or to an on-campus delivery hub, located in the ROAR store (MSJ campus store). Next-day deliveries sent to the eCampus delivery hub are free for students. eCampus also provides a price-matching guarantee. Students can choose to sell their textbooks to eCampus at any time through the website. eCampus also conducts on-campus textbook buybacks and rental returns at the end of the fall and spring semesters. Contact eCampus for assistance with textbook orders by clicking on the "Help" link option in the pull-down menu located next to the search box on the homepage.
