

## II. STUDENT LIFE

### Mission and Ministry at the Mount

Campus Ministry, part of the Center for Mission & Belonging, located in the Seton Center, provides students with a variety of opportunities to explore, express and enhance their faith and spirituality, engage with the Mission of the University, and honor the diverse backgrounds, cultures, and identities of all members of the Mount community. Inspired by Catholic faith and traditions, along with the Sisters of Charity of Cincinnati heritage and values, this office strives to build a community of faith based on Gospel values. Respect and concern for all persons, honoring diversity of cultures and beliefs, service to others, caring relationships, as well as personal and communal prayer are central to our mission, and our vocation.

Campus Ministry outreach offers a variety of programs and events including weekly Sunday Mass, non-denominational worship services, interfaith prayer, Bible study, Fellowship of Christian Athletes (FCA), Rosary, retreats, faith sharing groups, liturgical celebrations, service opportunities, as well as peace and justice activities. Campus Ministry values, welcomes, and embraces persons of diverse faith traditions, backgrounds, and experiences.

For information about these programs or services, contact Michelle Arnold, Assistant Director of Mission, at 513-244-4866. The Campus Ministry Office is located in Seton Center 134A.
