STUDENT AFFAIRS

Student Affairs is responsible for the administration and coordination of those areas of the University that are specifically related to the quality of student life on campus. Many offices provide students with opportunities and programs that align with the mission, support academic experiences, promote leadership, encourage civic engagement and foster personal skill development. These programs are established to increase student success and promote a supportive environment on campus.

Student Affairs is managed by the Dean of Students. Areas of responsibility include:

- BeConcerned Food Pantry Visits
- Care Committee
- Conduct
- Graduations
- Orientation
- Professional Allies Group
- Residence Life
- Student Emergency Fund
- Student Engagement & Leadership
- Student Government/Fraternity and Sorority Life
- Student Emergency Fund
- Student Handbook Policies and Procedures

Additional offices and professionals collaborate and contribute to the overall Student Life experience: Athletics, Diversity Equity and Inclusion, Academic Advising, the Learning Center, Food Service, Mission Integration, the Wellness Center and Institutional Research. Regular meetings are held with representatives from these areas to look at student success and retention efforts.
