## SEMESTER CODES

At the Mount, semesters are identified by combining the session number with the upcoming academic year. For 2015-2016, the sessions are S116 (first semester, 2016), S216 (second semester, 2016) and S416 (summer 2016).

## ALTERNATIVE LEARNING FORMATS

Designed for busy adults, the Mount offers you the opportunity to complete uniquely designed courses and degree programs that meet in nontraditional time frames.

**Standard evening** classes meet one night a week from 6:30 p.m. to 9:20 p.m. There is no pre-assignment for this format.

**Plan A1 and A2 accelerated** classes meet every other week in the evening from 6:30 p.m. to 9:20 p.m. or on Saturday from 8:30 a.m. to noon and 1 p.m. to 4:30 p.m. A pre-assignment is required and the learning outcomes depend on a commitment by the student to do extensive work between the class sessions.

**Plan C1 and C2 accelerated** classes meet in a seven week consecutive model. There is a one week break followed by a second course with seven consecutive class meetings. As with Plan A1 and A2, there is a pre-assignment for these intensive format courses so that students will be well prepared the first day of class.

**Plan OL and ON accelerated** online classes meet in an eight week consecutive model. There is no pre-assignment for this format. Students will have access to the course one week prior to start date.

When designing your schedule, you might want to combine one standard evening course with two consecutive courses providing the opportunity to achieve nine hours in one semester while studying for two courses at a time.

**Attendance** – Specific dates and times are listed under each course offering. Attendance at each class session is mandatory in order to achieve established learning outcomes.

**Pre-assignments** – Go to <http://mymount.msje.edu> and click on the Pre-assignments link in the Helpful Links section of the page

**Registration** – In order to thoroughly prepare for the accelerated courses, you should register and start the pre-assignment about three weeks in advance. Traditional students may not register for accelerated courses without the specific approval of their advisor. Students may not enroll in more than 9 credit hours of accelerated courses concurrently.

Grades for students in Alternative Learning courses will be viewable on the Web at the time they are submitted by the instructor.

## ATTENDANCE VERIFICATION

If a student fails to attend the first class, he/she is reported as a “no show.” This will result in a student being dropped from the class. Changes in registered hours can affect billing, financial aid, and athletic eligibility. After the first week of the class, it is recommended that students check their course schedule. If a course is dropped in error, contact the instructor. To add a dropped course back on a student’s schedule, please contact Student Administrative Services for instructions.

## UNDERGRADUATE AND GRADUATE NON-DEGREE STUDENTS

Non-degree (non-matriculated) students are those taking classes who have not been accepted to the University and are not enrolled in a degree program. Non-degree seeking students need not apply for admission. Such students must apply and be accepted through the appropriate office to become degree-seeking students. Non-degree seeking graduate students may earn a maximum of nine semester credit hours under a non-degree seeking status. Non-degree traditional students must sign a clearance form prior to registration. Forms are available in Student Administrative Services.

Traditional students (those out of high school fewer than four years) must obtain formal admission to the University before acquiring more than 13 credit hours. Non-degree traditional students are limited to two courses (six credit hours) per semester or during the entire summer session until reaching the 13 credit hour limit. Traditional transfer students in good standing from an accredited college or university may take their 13 credit hours in one semester or an entire summer session. Students seeking licensure only are excluded from this policy. This policy is implemented at the discretion of the Vice President for Academic Affairs.

## CORE CURRICULUM REQUIREMENTS

Undergraduate students admitted to Mount St. Joseph University, pursuing baccalaureate and/or associate degrees, must fulfill the requirements of the Core Curriculum as an integral part of their course of studies. These requirements are described at [www.msj.edu/catalogs](http://www.msj.edu/catalogs). All of the listed degree requirements must be satisfied before a diploma or transcript with the degree noted will be released.

Students who transfer to the Mount need to consult with their academic advisor for transfer Core LAS requirements, which provides flexible use of transfer courses into the Mount's core curriculum.

## REGISTRATION PROCEDURES – GRADUATE & UNDERGRADUATE STUDENTS

### CRITICAL INFORMATION REGARDING YOUR REGISTRATION

*This message is intended for all sophomore and freshmen students:*

To make registration as efficient as possible for the spring semester, each class will be divided into two registration groups. On the morning that registration opens, half of the class will begin to register at 6:00 a.m. and the other half will begin at 6:30 a.m. The system will make the random group assignments. At 7:00 a.m. registration will be open for the entire group.

Students should:

- Watch their e-mail for notice of registration time. In addition to the Student Information page, Registration, will show the registration time.
- Be prepared. After meeting with their advisor, students should have the registration worksheet ready on the morning of registration to use as a reference.
- Be on time. Students beginning at 6:00 a.m. will have until 6:30 a.m. to complete their registration. Students beginning at 6:30 a.m. will have until 7:00 a.m. to complete their registration.
- Don't panic. Both groups will have full access to the system at 7:00 a.m. for any unfinished business.

As a reminder, sophomores in the first group will begin to register at 6:00 a.m. on 11/17/15. The second group of sophomores will begin at 6:30 a.m. on 11/17/15. All sophomores will have full access beginning at 7:00 a.m.

Freshmen in the first group will begin to register at 6:00 a.m. on 11/19/15. The second group of freshmen will begin at 6:30 a.m. on 11/19/15. All freshmen will have full access beginning at 7:00 a.m.

All currently enrolled students may access registration according to the schedule on the first page of this document.

Before using registration, please remember:

- Set options for Second Semester (S216): Select UNDG = for students in an undergraduate program, or GRAD = for students in a graduate program, or DOCT = for students in the doctorate program.
- Students need to meet with their advisor to plan a class schedule. Select alternate class options in case a preferred class is not available.
- Graduate students in education and physical therapy must have advisor clearance before registering for classes. Graduate students in religious studies, nursing and organizational leadership do not require advisor clearance before registering for classes.
- Traditional students must have advisor clearance before registering for classes.
- Adult students in the following majors: art, athletic training, biology, chemistry, education, mathematics, nursing, paralegal studies, psychology, and social work must also meet with their advisor to plan a class schedule. All students with these specific majors must have advisor clearance before registering for their classes.
- Adult students in majors other than those listed above are encouraged, but not required, to meet with an advisor prior to registration. Advisor clearance for registration is not required in majors other than those listed above.
- All students registering for a course that requires approval from the instructor or a program director (e.g., Co-op, Honors courses, Service Learning, or an auto study), need the instructor or program director to give course authorization prior to registering for classes.
- Go to <http://mymount.msj.edu> and click on the Pre-assignments link in the Helpful Links section of the page. The pre-assignment must be completed prior to the first class.
- Special circumstances for registration need to be handled in-person in Student Administrative Services. These include classes taken for pass/fail or audit, or a registration schedule that totals more than 20 credit hours. (After approval by the Provost or designee). For undergraduates there is an additional per credit hour tuition charge for every hour over 18 credit hours.
- Consortium registrations are processed in the Registrar's Office.

- PREREQUISITE CHECKING IS ACTIVATED IN REGISTRATION.
- Students will be expected to have met the specific course prerequisites (or the transfer credit equivalent) before adding a class/section with prerequisites stated in course notes. Students currently registered in a prerequisite course will not be blocked from adding a class with the specific prerequisite. Students blocked from adding a class because of unmet prerequisites need to see their academic advisor.
- All students registering for a course that has a co-requisite (e.g., any course with a lab, course with a service learning component, etc.) need to register for the lecture portion of the course first, the lab second.
- If a time conflict exists that has been approved by both instructors, students will need to have electronic authorization from one of the instructors before they register. The instructor will add his or her “electronic signature” to the course to give you authorization to register.
- Any student with a financial “hold” on his/her account will need to work with Student Administrative Services to remove the hold prior to registering.
- Students are strongly encouraged to meet with their advisor before adding and/or dropping classes. Changing a schedule without the assistance of an advisor is strongly discouraged.
- Mount St. Joseph University provides academic advising to degree-seeking students. However, the final responsibility for meeting all program/degree requirements and being informed of University regulations and procedures rests with the student.

### *Second Semester 2016*

(Set registration option to Second Semester 2016)

The assigned days are based on a student’s class standing (hours earned as of the end of S215). There will be a Registration Help Hotline starting at 6:00 a.m. on November 10, 12, 17 and 19.

The Registration Help Hotline is 513-244-4765 for registration questions, or 513-244-4418 for financial/student account questions.

- Registration assistance is available in Student Administrative Services during normal office hours.
- Students not currently enrolled in first semester 2016 (S116) may begin to register on November 20, in Student Administrative Services, Conlan Center.
- Students may “wait-list” in registration for the opportunity to be registered into a closed class. If a closed wait-listed class re-opens, students will be registered in the date/time order they were wait-listed. The student will then be sent an email or will receive a phone call letting him/her know he/she has been registered. The student has 24 hours to respond if there is a problem and/or conflict. It is the student’s responsibility to check his/her schedule.

### *New Students*

Graduate students who have never been enrolled at the Mount should contact the Graduate Admission Office. New undergraduate students should contact the Undergraduate Office of Admission. New adult and graduate students not currently enrolled may begin to register on November 20, 2015.

### *Advising*

Academic advising is available to all degree-seeking students at the University. Traditional students are required to meet with their advisor before registering for class. Registration clearance must be provided by the academic advisor.

If you have not yet been assigned to an advisor, contact the academic department of your major. Students who have not declared a major or who are pending official acceptance through Admission are advised by an advisor in the Academic Advising Resource Center.

In the interest of quality service to our students, all advising is done on an appointment basis. Refer to the *University Catalog* under Advising and Registration, “Academic Advising Mission Statement,” for the expected role of the student advisor.

### *Add/Drop Policies*

Adding or dropping classes for standard day and evening classes may be done online through the first week of classes. Adding or dropping an accelerated course that starts the first week of classes may be done online until one week before the start of the semester. After registration closes for second semester, students must submit an add/drop form with any required signatures for processing in Student Administrative Services. *Any student who does not officially add a class through an add form will not receive credit or a grade for course work. Any student who fails to process a drop form will receive a grade of FA (failure due to absence).*

After the first week of standard and evening classes an instructor’s signature of approval is required to add a course. In accelerated classes, adding a course is not possible after the first class meeting. For assistance in adding or dropping classes contact Student Administrative Services, 244-4418; or the Registrar’s Office, 244-4621.

**Academic drop dates and financial refund drop dates can be different. Please check the course schedule’s Policies and Procedures before dropping a class to determine eligibility for refunds. The tuition reduction schedule can be found on page 11.**

### Course Withdrawal (Drop) Policy

Each semester or class term has two withdrawal periods. Courses officially dropped during the first withdrawal period are removed from the student's academic record. A grade of "W" (withdrawal) will be assigned to any classes dropped during the second withdrawal period. The "W" grade is not calculated in the student's grade point average. The class remains on the student's academic record. **Accelerated classes are calculated on an alternate calendar schedule based on the class meeting day as stated below.**

Any student wishing to drop a class must fill out and submit a drop/add form. The form must be signed by the student and the advisor. No withdrawals are accepted during the third withdrawal period. Instructors will assign grades for any classes not dropped before the third period begins. The signature of the Provost or designee is required on the drop/add form to change the effective date of withdrawal.

It is important to note that tuition refund dates and course withdrawal dates are different. Please refer to the tuition reduction schedule which is published in the *Semester Policies and Procedures* for refund information.

Drop/withdrawal dates for standard classes can be found in Dates to Know on myMount under Academics > Registrar's Office > Documents. A student may contact the Registrar's Office at 244-4765 for specific drop/withdrawal dates of an accelerated class.

### *Auditing Courses*

Students may audit courses (except auto-study options and online courses) on a space available basis as determined by the instructor and the department offering the course. There is no limit to the number of courses a student may audit, but each course may be audited only one time (except in topics courses where the content varies with each offering). Courses taken for audit earn zero credits and quality points. Audits require the signature of the instructor. Conditions or requirements of the audit are determined by the instructor or department. Students who are registered for 12 or more hours in a fall or spring term and paying flat rate tuition may audit undergraduate courses free of charge plus any applicable fees. This policy does not apply to summer term. Students who choose to audit as a part time student in summer, fall, or spring may do so at half the cost of the per credit hour rate plus any applicable fees. Fees, cost of books and materials are additional for all students.

Baccalaureate or graduate program alumni of the University may audit courses (except auto-study options and online courses) on a space-available basis for a special discounted tuition rate, plus fees, cost of books and materials, provided appropriate academic prerequisites have been completed.

If a student wishes to change from audit to a grade or vice versa, the change must be made in the Conlan Center with Student Administrative Services during the first five weeks of class. Students must make such a change before the third class meeting of an accelerated class.

### *Independent Learning Contracts*

Independent learning courses (Independent Studies, Internships, Advanced Studio Problems in Art, Directed Research; and Auto Studies) require the completion of a learning contract.

Any student seeking credit through an independent learning opportunity must contact the instructor to discuss and complete the learning contract, *prior to registration of the course*.

## **ONLINE CONSORTIUM OF INDEPENDENT COLLEGES AND UNIVERSITIES**

The Mount is a member of the Online Consortium of Independent Colleges and Universities (OCICU). The purpose of the OCICU is to provide students in good academic standing the ability to take online courses not offered at the Mount. **Undergraduate adult students** and **advisor-approved traditional seniors** are eligible to enroll. New students are limited to six OCICU credits in their first semester at the Mount.

A student who enrolls in OCICU coursework and has two attempts resulting in withdrawal or failure will no longer be eligible to participate in OCICU consortium course offerings. Any appeal would be directed to the Associate Provost.

OCICU courses are all *eight week accelerated courses* and are *offered on a space available basis*. Mount students are charged Mount tuition when registering through the Online Consortium. Students registering for OCICU courses follow the academic calendar of the provider school. Deadlines for course withdrawals are within the first five (5) days of the courses. Tuition refund schedules do not follow the standard MSJ format. Students may be subject to an enrollment fee depending on the actual withdrawal date. Check with Student Administrative Services for the current fee amount.

OCICU registration occurs *after* the advisor/department chair has given course authorization. \*The senior citizen discount does not apply to these courses.

### *OCICU Disability Service Request Policy*

Students seeking accommodations for disabilities and who are interested in taking an OCICU course should first contact the *Director of the Learning Center & Disability Services* at 513-244-4524 to facilitate the process for obtaining services from the school offering your OCICU course.

Requests for accommodations should be received at least 2 weeks prior to the term start although 30 days is preferable as some services such as audio textbooks or transcribing video/audio feeds may take longer to provide. If the disabilities services provider (OCICU) school is not notified in time to make the necessary arrangements, students may not have their accommodations in place for the course. In this case, students may want to take the course in a later term so their accommodations are available.

## **GREATER CINCINNATI CONSORTIUM OF COLLEGES AND UNIVERSITIES**

Full- and half-time degree-seeking students, both undergraduate and graduate, are eligible to enroll in the Greater Cincinnati Consortium of Colleges and Universities cross-registration program. Degree-seeking Mount students may enroll in a maximum of two courses or six semester hours in Consortium courses each academic year (first semester/Term I, second semester/Term II, and summer sessions combined are considered one academic year). Enrollment in Consortium courses must occur concurrently with enrollment at the Mount. Courses taken through the Consortium may not exceed a total of eight courses or 24 semester hours in a student's total baccalaureate degree program. In a total associate degree program, Consortium courses may not exceed four courses or 12 semester hours. A maximum of only two courses or six semester hours may be taken through the Consortium during the student's final 30 hours of Mount residency. Graduate students cannot earn more than 30 percent of the credits required for the master of arts degree in off-campus courses taken through the Consortium.

Extenuating circumstances may require an exception to the Consortium cross-registration policy. Appeals for exceptions must be submitted in writing to the Provost or designee. Consortium cross-registration **must** be done in person in the Registrar's Office. Courses are offered on a space available basis. Mount students are charged Mount tuition when registering through the Consortium. The purpose of the Consortium is to provide students with the ability to take courses not offered at their own college.

The following schools are members of the Greater Cincinnati Consortium: Art Academy of Cincinnati, The Athenaeum of Ohio, Chatfield College, Cincinnati Christian University, Cincinnati State Technical and Community College, Mount St. Joseph University, Gateway Community and Technical College, God's Bible School and College, Good Samaritan College of Nursing and Health Science, Hebrew Union College-Jewish Institute of Religion, Miami University, Northern Kentucky University, Thomas More College, Union Institute & University, University of Cincinnati, Wilmington College, and Xavier University.

Cross-registration is completed as follows:

1. Check with the Consortium contact person in the Mount's Registrar's Office to secure course information.
2. Obtain a signature of approval from your academic advisor on a consortium registration form.
3. Complete the cross-registration form and register in the Mount's Registrar's Office. The student may wish to call the host school's office to determine the availability of space.
4. Developmental courses taken through the Consortium that are similar in content to those offered at the Mount will be accepted as general electives; however, courses that are not applied toward a degree at a host institution will not be accepted for credit.
5. Take the cross-registration form to the Registration Office of the school where the course will be taken. Specific times/dates are scheduled for this purpose, and are available for student reference in the Registrar's Office.

If a change in enrollment status (add/drop) is made, the procedure *must be completed at both schools*.

## SERVICE LEARNING PLUS-ONE OPTION

The Service Learning program provides an option for students to integrate a community service project with a course they are currently taking. Students are invited to enroll for a course offering the Plus-One Credit or may request instructor approval to add the Plus-One Option to another course. Service Learning courses follow the lecture course in the course listings. Attendance at an orientation session and the Service Learning coordinator's authorization approval is required before adding this option. Students are not charged for the Plus-One Credit. Participants complete a learning agreement that will document the Plus-One Service Learning objectives, student expectations and evaluation

criteria. Students will be expected to complete a minimum of 30 hours on-site with identified community organizations. Students are also required to participate in an orientation and a guided reflection session. The extra credit hour is pass/fail, is classified as a general elective and will be documented as Service Learning on the students' transcript. Students may register for only one service credit in an approved course during a semester and may accumulate no more than three transcript-documented Plus-One Option credits.

The Plus-One credit cannot be added as a 12th credit hour to create full-time status.

## PAYMENT OPTIONS

### Financial Aid/Student Loans

Students are encouraged to apply early for financial aid in order to have a “package” by the confirmation date. Awards are made on a first-come, first-served basis as long as funds are available.

Students who plan to be enrolled at least half-time, looking for a long-term financing vehicle might want to consider student loans available through the financial aid programs. These loans offer more favorable terms than most credit programs available to students. Please contact Student Administrative Services at 513-244-4418 for details regarding student loans and the availability of other types of financial aid, or visit our Web site at [www.msjeu.edu](http://www.msjeu.edu).

### The TMS Interest-Free Monthly Payment Plan

Tuition Management Systems Interest-Free Monthly Payment Plan offers students a monthly payment plan option that allows students/parents to spread their education expenses over 3-6 months for a semester plan. Instead of a semester lump-sum payment, the plan allows students to budget all or part of their education expense into manageable monthly installments.

For more information, access the TMS Student Account Center. Their Web site is [www.afford.com](http://www.afford.com)

### Payment by a Third Party

The University will bill directly any third party (employers, Armed Services, BVR) for tuition and fees. Any special forms required by the third party’s policy must be presented to Student Administrative Services prior to the confirmation date. If the original authorization indicates extended (annual or degree completion) coverage, the University will use that validation for our confirmation process as long as the dates remain in effect, the student continues with the third party, and the third party maintains timely payments.

Any questions regarding third party billing should be directed to Student Administrative Services.

### Tuition Deferment Plan

The Mount offers a tuition deferment plan for students with employer tuition reimbursement. Payment of one-third tuition charges plus a non-refundable \$15.00 administration fee are due before the confirmation date. Also, a photo copy of the employer’s tuition reimbursement policy and a completed Mount tuition deferment form stating eligibility for reimbursement must be submitted. Contact Student Administrative Services at 513-244-4418 to sign up for the Tuition Deferment Plan, or visit our Web site for more information and/or forms.

### Religious and Pastoral Studies Ministry Tuition Grant

Students enrolled in the religious studies graduate program, who are paid or volunteer ministers serving in congregations, hospitals, health care facilities, social service agencies, dioceses, and schools are eligible to receive the Mount’s Religious and Pastoral Studies Ministry Tuition Grant. This grant reduces tuition to \$365 per credit hour. Verification of employment/volunteer service and submission of FAFSA form are required.

### Tuition Reduction Schedule

Tuition reduction for dropped classes is based on the date the add/drop form is received by Student Administrative Services. The postmark date is used if the form is mailed to Student Administrative Services (adult students only). The reduction rate is valid through the last business day of each reduction period.

Reducing the number of credit hours you are enrolled in each semester may also reduce financial aid.

### Day/Evening Classes – Second Semester

Drops no later than January 10	100% credit
Drops from January 11-January 24	75% credit
Drops from January 25-February 7	50% credit
Drops after February 7	0% credit

### Alternative Evening/Saturday (5-6 meetings)

Drops before first meeting	100% credit
Drops before second meeting	75% credit
Drops before third meeting	50% credit

### Alternative Evening/Saturday (7-8 meetings)

Drops before fourth meeting	50% credit
Drops on or after fourth meeting	0% credit

For the first week of classes, including the first weekend session, a drop of any course which has not begun (e.g., dropping a Thursday class on the first Wednesday of the session) will be reduced 100%. This will include any applicable course fees. Even exchanges of courses with the same number of credit hours will continue to be accepted as in the past. Course fees are not reduced/refunded once the class begins.

### OCICU Tuition Reduction Policy

Please note that OCICU courses do not follow the Mount’s regular tuition refund schedule. After the course begins, all registration changes must be made in the Registrar’s Office at Mount St. Joseph University. \*Part-time students who withdraw after 3:00 p.m. on the fifth day from when the course begins (this includes weekends) will receive NO refund for tuition per course. Full-time students who withdraw after 3:00 p.m. on the fifth day from when the course begins (this includes weekends) will be charged an enrollment fee per course. Check with Student Administrative Services for the current fee amount.

### Federal Aid Refund Policy – Complete Withdrawal from the University

Through the 60 percent point in each semester, a pro rata schedule is used to determine how much federal student aid the student has earned at the time of withdrawal. After the 60 percent point, a student has earned all of the federal aid funds for that semester. The withdrawal date is either 1) the date that the student began the withdrawal process; 2) the date that the student otherwise provided official notification to the school of the intent to withdraw; 3) the midpoint of the payment period for which federal assistance was disbursed or a later date documented by the school; or 4) in special circumstances, a date determined by the school. Please see the University Catalog for details on the withdrawal process.

If the day the student withdraws occurs on or before the student completed 60 percent of the semester, the percentage of federal funds earned is equal to the percentage of the semester that has been completed. The percentage of the semester completed is determined by the number of calendar days completed at the time of withdrawal divided by the total number of days in the semester. Unearned funds are returned to the federal aid program in the following order: 1) Unsubsidized Direct Stafford Loan 2) Subsidized Direct Stafford Loan 3) Federal-Perkins Loan 4) Federal Direct Graduate PLUS Loan 5) Federal Direct Parent PLUS Loan 6) Federal Pell Grant 7) Academic Competitiveness Grant 8) National SMART Grant 9) Federal Supplemental Education Opportunity Grant 10) Federal TEACH Grant; and 11) Iraq & Afghanistan Service Grant.

#### *Service Fees*

Service fees are added to unpaid student accounts at a monthly rate of 1 1/2 percent. Payments must be received by the 20th of the month to avoid service fees.

#### *Refunds*

Student account refunds are processed automatically once a credit balance is generated on a student's account and all charges are posted for a term. Students may make a refund preference by accessing their Web registration screen online. Refunds will be processed within 14 days of the credit being generated on the account.

## GRADES

Students have full access to their grades via MyMount when submitted by the instructor. Grade reports will be mailed only upon written request to the Registrar's Office, Conlan Center. NR grades indicate that grades have not been reported by the instructor. Please contact your instructor with any questions.

## INCOMPLETE GRADES

Students must initiate requests for an I (incomplete) grade with an instructor prior to the scheduled final exam or the final scheduled class for accelerated courses. I (incomplete) grades are only assigned by an instructor for a student who has made significant academic progress in the course, but for a serious reason has not fulfilled all course requirements. I Grade Petition Forms are available in each academic department.

#### *I Grade Conversion Schedule*

I grades convert to F grades on the following schedule: fall semester I (Incomplete) grade change to F = last day of spring semester; spring semester I (Incomplete) grades change to F = the end of third week of fall semester; summer session I (Incomplete) grades change to F = the last day of fall semester.

## STUDENT RESPONSIBILITY

The final responsibility for fulfilling the requirements of a course syllabus in each class, for meeting all program/degree requirements, and for complying with University regulations and procedures rests with the student. Mount St. Joseph University provides academic advising. Students should consult with their academic advisor when selecting courses or making adjustments in their course schedule. Students are expected to attend advising appointments having prepared a tentative schedule of classes.

## STUDENT DATA CHANGES

Updates to all student data are submitted in writing to Student Administrative Services, Conlan Center.
