- Plan A1 and A2 accelerated classes meet 6:30 p.m. to 9:20 p.m. every other week in the evening or on Saturday from 8:30 a.m. to noon and 1:00 p.m. to 4:30 p.m. A pre-assignment is required and the learning outcomes depend on a commitment by the student to do work between the class sessions.
- Plan C1 and C2 accelerated classes meet in a seven week consecutive model. There is a one-week break followed by a second course with seven consecutive class meetings. As with Plan A1 and A2, there is a pre-assignment for these intensive format courses so that students will be well prepared the first day of class.

## ATTENDANCE VERIFICATION

If a student fails to attend the first in-person or In\*Sync class, they are reported as a "no show." Students in an online/blended course have the first five days of class to log in or will be reported as a "no show." If reported as a "no show," the student is dropped from the class. **Logging in** to an online/blended course is considered attendance in the class even if the student has not submitted any assignments or participated in any other aspect of the course.

Changes in registration hours can affect billing, financial, and athletic eligibility. After the first week of the class, it is recommended that students check their course schedule. If a course is dropped in error, contact the instructor. To add a dropped course back on a student's schedule, please contact Student Administrative Services for instructions.

**UNDERGRADUATE AND GRADUATE NON-DEGREE STUDENTS**

Non-degree (non-matriculated) students are those taking classes who have not been accepted to the University and are not enrolled in a degree program. Non-degree seeking students need not apply for admission. Such students must apply and be accepted through the appropriate office to become degree-seeking students. Non-degree seeking graduate students may earn a maximum of nine semester credit hours under a non-degree seeking status. Non-degree traditional students must complete the non-degree student pre-registration form available at [www.msj.edu/aid-forms](http://www.msj.edu/aid-forms).

Traditional students (those out of high school fewer than four years) must obtain formal admission to the University before acquiring more than 13 credit hours. Non-degree traditional and adult students are limited to two courses (six credit hours) per semester or during the entire summer session until reaching the 13 credit hours limit. Traditional transfer students in good standing from an accredited college or university may take their 13 credit hours in one semester or an entire summer session. Students seeking licensure only are excluded from this policy. This policy is implemented at the discretion of the Provost or designee.

**EMAIL GUIDELINES**

Email is the primary method of communication at Mount St. Joseph University. Students are responsible for regularly checking their MSJ emails, including SPAM folders.

## REGISTRATION PROCEDURES - UNDERGRADUATE & GRADUATE STUDENTS

### CRITICAL INFORMATION REGARDING YOUR REGISTRATION

This message is intended for all juniors, sophomores, and freshmen students:

To make registration as efficient as possible for the fall and spring semesters - juniors, sophomores, and freshmen will be divided into four registration groups. On the morning that registration opens for your class standing (based on hours earned at the end of your last completed semester. There will be a 6:00 a.m. time start, a 6:30 a.m. time start, a 7:00 a.m. time start, and a 7:30 a.m. time start. The system will make the random group assignments. At 8:00 a.m. all students on their registration day will have access to the system.

Students should:

- Watch email for notice of registration time.
- Be prepared. After advising meeting, students should have the registration worksheet ready on the morning of registration to use as a reference.
- Be on time. Students will have access during their assigned half hour to complete their registration. If a student tries to process a registration change (add/drop/waitlist) outside of their allotted half hour, it will be rejected, even if they selected the course before their half hour was up.
- All Students on their registration day will have full access to the system at 8:00 a.m. for any unfinished business.
- Please log out of MyMount when it is not your time to register to allow the system to work better for everyone.

NOTE: A student **will not** be able to register if there is a SARX (financial) or HVER (health insurance verification) hold on their account. Please work with Student Administrative Services to resolve the financial hold at 513-244-4418 or the Wellness Center to resolve the health insurance hold at 513-244-4769. If these holds ARE NOT resolved BEFORE registration morning, you **WILL NOT** be able to register at your registration time.

All currently enrolled students may access registration according to the schedule on the first page of this document.

### REGISTRATION REQUIREMENTS

Late registration begins the first calendar day of the semester and ends the ninth calendar day of the semester at 4:30 p.m. for full semester courses. Registration is not permitted after the ninth calendar day of the semester for full semester courses.

Students must be registered for a course PRIOR to attending class or prior to participating in any clinical/rotation off-site component of a course. Students who are not registered for classes after the ninth calendar day of the semester are not permitted to reside in the residence halls.

#### Before using registration, please remember:

- Set options for Second Semester (S225): Select UNDG for students in an undergraduate program, or GRAD for students in a graduate program, or DOCT for students in a doctorate program.
- Students need to meet with their advisor to plan a class schedule. Select alternate class options in case a preferred class is not available.
- Graduate students in education and physical therapy must have advisor clearance before registering for classes. Graduate students in religious studies, nursing, and organizational leadership do not require advisor clearance before registering for classes.
- Traditional students must have advisor clearance before registering for classes.
- Adult students in the following majors: art, athletic training, biology, biomedical sciences, chemistry, education, mathematics, nursing, psychology, and social work must also meet with their advisor to plan a class schedule. All students with these specific majors must have advisor clearance before registering for classes.
- Adult students in majors other than those listed above are encouraged, but not required, to meet with an advisor prior to registration. Advisor clearance for registration is not required in majors other than those listed in the bullet point above.
- All students registering for a course that requires approval from the instructor or a program director (e.g., Co-op, Honors courses, or Service Learning), need the instructor or program director to give course authorization prior to registering for classes.
- Special circumstances for registration need to be handled in-person in Student Administrative Services. These include classes taken for pass/fail or audit, or a registration schedule that totals more than 20 credit hours. (Advisor must send an e-mail to the Provost or designee to request the additional hours.) For undergraduates there is an additional per credit hour tuition charge for every hour over 18 credit hours.
- Consortium registrations are processed by Mary Mazuk, AARC, Conlan Center, advising@msj.edu

- A \$10 **per credit hour NON-REFUNDABLE** fee will be assessed for each course taken through the GC3 Consortium in addition to the current tuition. The student is responsible for the non-refundable fee even if the student drops or withdraws from the Consortium course.
- Students will be expected to have met the specific course prerequisites (or the transfer credit equivalent) before adding a class/section with prerequisites stated in course notes. Students currently registered in a prerequisite course will not be blocked from adding a class with the specific prerequisite. Students blocked from adding a class because of unmet prerequisites need to see their academic advisor.
- All students registering for a course that has a co-requisite (e.g. any course with a lab, course with a service learning component, etc.) need to register for the lecture portion of the course first, the lab second.
- If a time conflict exists that has been approved by both instructors, students will need to have course authorization from one of the instructors before they register. The instructor will add his or her "electronic signature" to the course to give you authorization to register.
- Any student with a financial hold on his/her account will need to work with Student Administrative Services to remove the hold prior to registering.
- Students are strongly encouraged to meet with their advisor before adding and/or dropping classes. Changing a schedule without the assistance of an advisor is strongly discouraged.
- Mount St. Joseph University provides academic advising to degree-seeking students. However, the final responsibility for meeting all program/degree requirements and being informed of University regulations and procedures rests with the student.
- Registration assistance is available in Student Administrative Services during normal office hours.
- Students not currently enrolled in first semester 2025 (S125) may begin to register on Nov 27, in Student Administrative Services, Conlan Center.
- Students may "wait-list" in registration for the opportunity to be registered into a closed class. If a closed wait-listed class re-opens, students will be registered in the date/time order they were wait-listed. The student will then be sent an email informing them of this registration. If there is a conflict in the student's schedule, the student will receive an email from the Registrar's Office. The student has 24 hours to respond to the email. If the student does not respond within 24 hours, the student is dropped from the wait-listed course. It is the student's responsibility to check their schedule.

## New Students

Graduate students who have never been enrolled at the Mount should contact the Graduate Admission Office. New undergraduate students should contact the Office of Admission. New adult and graduate students not currently enrolled may begin to register on Nov 27.

## Advising

Academic advising is available to all degree-seeking students at the University. Traditional students are required to meet with their advisor before registering for class. Registration clearance must be provided by the academic advisor.

If you have not yet been assigned to an advisor, contact the academic department of your major. Students who have not declared a major or who are pending official acceptance through Admission are advised by an advisor in the Academic Advising Resource Center.

In the interest of quality service to our students, all advising is done on an appointment basis. Refer to the "University Catalog" under "Academic Advising Resource Center" for the expected role of the student and advisor.

## ADD / DROP POLICIES

- Adding or dropping classes for standard day / evening classes may be done online through the first week of classes. Adding or dropping an accelerated course that starts the first week of classes may be done online until one week before the start of the semester. **Any student who fails to process a drop will receive an FA grade (Failure due to absence). Any student who does not officially add a class will not receive credit or a grade for course work.** After registration closes, students must submit a drop form with all required signatures for processing in Student Administrative Services. **Academic drop dates and financial refund drop dates can be different. Please check the course schedule's Policies and Procedures before dropping a class to determine refund eligibility. The tuition reduction schedule is on page 12.**
- Standard day and evening classes cannot be added after the ninth day for full semester courses. In accelerated evening/weekend classes, adding a course is not possible after the first class meeting. For assistance in adding or dropping classes, contact Student Administrative Services, 513-244-4418; or the Registrar's Office, 513-244-4297.

## **COURSE WITHDRAWAL (DROP) POLICY**

Each semester or class term has three withdrawal periods. Courses officially dropped during the first withdrawal period are removed from the student's academic record. A grade of "W" (withdrawal) will be assigned to any classes dropped during the second withdrawal period. The "W" grade is not calculated in the student's grade point average. The class remains on the student's academic record. **Accelerated classes are calculated on an alternate calendar schedule based on the class meeting day as stated below.**

Any student wishing to drop a class must fill out and submit a drop/add form. The form must be signed by the student and the advisor. No withdrawals are accepted during the third withdrawal period. Instructors will assign grades for any classes not dropped before the third period begins. The signature of the Provost or designee is required on the drop/add form to change the effective date of withdrawal.

It is important to note that tuition refund dates and course withdrawal dates are different. Please refer to the tuition reduction schedule on page 12.

**A student may contact the Registrar's Office at 513-244-4297 for specific drop/withdrawal dates of an accelerated class.**

## AUDITING COURSES

Students may audit courses (except online courses) on a space available basis as determined by the instructor and the department offering the course. There is no limit to the number of courses a student may audit, but each course may be audited only one time (except in topics courses where the content varies with each offering). Courses taken for audit earn zero credits and quality points. Audits require the signature of the instructor. Conditions or requirements of the audit are determined by the instructor or department. Students who are registered for 12 or more hours in a fall or spring term and paying flat rate tuition may audit undergraduate courses free of charge plus any applicable fees. This policy does not apply to summer term. Students who choose to audit as part time student in summer, fall, or spring may do so at half the cost of the per credit hour rate plus any applicable fees. Fees, cost of books, and materials are additional for all students.

Baccalaureate or graduate program alumni of the University may audit courses (except online courses) on a space-available basis for a special discounted tuition rate, plus fees, cost of books, and materials, provided appropriate academic prerequisites have been completed.

If a student wishes to change from audit to a grade or vice versa, the change must be made in the Conlan Center with Student Administrative Services during the first five weeks of class. Students must make such a change before the third class meeting of an accelerated class.

## INDEPENDENT LEARNING CONTRACTS

Independent Learning Contracts (Independent Studies, Internships, Advanced Studio Problems in Art, and Directed Research) require the completion of a learning contract.

Any student seeking credit through an independent learning opportunity must contact the instructor to discuss and complete the learning contract, **prior to registration of the course.**

## STUDY AT OTHER INSTITUTIONS: CONSORTIUMS

- Mount St. Joseph University is a member with two consortiums: The Greater Cincinnati Collegiate Connection (GC3) and Acadeum Consortium. The purpose of a Consortium is to provide students with a means of taking courses not offered at their own institution.
- Full- and part-time degree-seeking students, both undergraduate and graduate, are eligible to enroll in the Greater Cincinnati Collegiate Consortium cross-registration program and/or request approval to enroll in Acadeum Online Consortium courses. Enrollment in Consortium courses occurs concurrently with enrollment at the Mount.
- Degree-seeking Mount students may enroll in a maximum of two courses or six semester hours in Consortium courses each academic year. Courses taken through the Consortiums may not exceed a total of eight courses or 24 semester hours in a student's total baccalaureate program. In an associate degree program, Consortium courses may not exceed four courses or 12 semester hours. A maximum of only two courses or six semester hours may be taken through the Consortiums during the student's final 24 hours of Mount residency for students entering 2022 or later; 30 hours of Mount residency prior to 2022. Graduate students cannot earn more than 25 percent of the credits required for the Master of Arts degree in off-campus courses taken either through the Consortium or in transfer from another institution.
- Mount students are charged Mount tuition and \$10 per consortium credit hour processing fee when registering through the Consortiums. Credit hours earned by courses taken through a Consortium are treated as Mount residency hours. Consortium grades are calculated in the student's Mount grade point average. It is the student's responsibility to verify that all pre-requisites have been met before enrolling in a Consortium course.
- Students registering for a Consortium course follow the academic calendar of the provider school. Tuition refund schedules do not follow the standard MSJ format. Students may be subject to an additional fee depending on the actual withdrawal date. If a change in enrollment status (add/drop) is made, the procedure **must be completed at both schools by the student.**
- Extenuating circumstances may require an exception to the Consortium cross-registration policy. Appeals for exceptions are submitted in writing to the Provost, or designee. Approved University Study Abroad Programs are exempt from Consortium policies.

## GC3 CONSORTIUM CROSS-REGISTRATION

GC3 Cross-registration procedures are as follows:

1. Begin with the Consortium contact person in Mount St. Joseph University's Academic Advising Resource Center (AARC) to secure course and Consortium Procedure information.
2. Developmental courses taken through the Consortium that are similar in content to those offered at Mount St. Joseph University will be accepted as general electives; however, those courses that are not applied toward a degree at a host institution will not be accepted.
3. Obtain a signature of approval from an academic advisor on a Mount registration or add form.
4. Complete the cross-registration form and Memorandum of Understanding for Mount St. Joseph University's Academic Advising Resource Center. The Mount's Consortium representative's signature on the Consortium form is required. The student may wish to call the host school's registration office to determine the availability of space.
5. Information about how to submit the cross registration form to the institution where the course will be taken can be found on the GC3 website or from the GC3 representative in the AARC.
6. If a change in enrollment status (add/drop) is made, the add/drop procedure must be completed at both schools by the student prior to the published registration/drop/withdrawal dates.
7. A per credit hour NON-REFUNDABLE fee is assessed for each course taken through the GC3 in addition to the current tuition. The student is responsible for the non-refundable fee even if the student drops or withdraws from the GC3 course.

The following schools are members of the GC3 Consortium:

Art Academy of Cincinnati, the Athenaeum, Cincinnati State Technical and Community College, Gateway Community and Technical College, God's Bible School and College, Good Samaritan College of Nursing and Health Sciences, Hebrew Union College-Jewish Institute of Religion, Miami University, Mount St. Joseph University, Northern Kentucky University, Thomas More College, Union Institute and University, University of Cincinnati (ROTC and band only), Wilmington College, and Xavier University.

## ACADEUM CONSORTIUM REGISTRATION

Acadeum registration processes are as follows:

1. Email (advising@msj.edu) Mount St. Joseph University's Acadeum Administrator to review a request to take an Acadeum course.
2. If the Administrator approves, the student, advisor, and the Billing Manager are emailed a checklist and the Memorandum of Understanding (MOU) of Financial Responsibility and Confirmation page that must be signed and returned to the Administrator.
3. If the student has returned the confirmation to the Administrator, the Administrator sends information to the student about how to request

the course in the Acadeum system. After the Administrator approves the request in the Acadeum system, the provider/host institution is alerted. The student and Administrator will receive information via email from the provider/host institution to confirm or deny enrollment for the course.

4. Student begins the course on its scheduled day. Part-time Mount students who withdraw after the academic drop date listed in the MOU will receive NO refund for tuition per course. Full-time students who withdraw from the Acadeum Consortium course after the withdrawal date stated on the MOU will be charged an enrollment fee per Acadeum course as stated on the MOU.
5. A student who enrolls in Acadeum coursework and has two attempts resulting in withdrawal or failure will no longer be eligible to participate in Acadeum consortium course offerings. Any appeal would be directed to the Provost or designee.
6. Students seeking accommodations for disabilities and who are interested in taking an Acadeum course should first contact the *Director of the Learning Center, Disability Services, and Project EXCEL* at 513-244-4623 to facilitate the process for obtaining services from the school offering the course. Requests for accommodations should be received at least 2 weeks prior to the term start although 30 days is preferable as some services may take longer to provide. If the disabilities services provider schools are not notified in time to make the necessary arrangements, students may not have their accommodations in place for the course. In this case, students may want to take the course in a later term so that their accommodations are available.

## SERVICE LEARNING PLUS-ONE OPTION

The Service Learning program provides an option for students to integrate a community service project with a course they are currently taking. Students are invited to enroll for a course offering the Plus-One Credit or may request instructor approval to add the Plus-One Option to another course. Service learning courses follow the lecture course in the course listings. Attendance at an orientation session and the Service learning coordinator's authorization approval is required before adding the option. Students are not charged for the Plus-One Credit. Participants complete a learning agreement that will document the Plus-One Service Learning objectives, student expectations, and evaluation criteria. Students will be expected to complete a minimum of 30 hours on-site with identified community organizations. Students are also required to participate in an orientation and a guided reflection session. The extra credit hour is pass/fail, is classified as a general elective, and will be documented as Service Learning on the students' transcript. Students may register for only one service credit in an approved course during a semester and may accumulate no more than three transcript-documented Plus-One Option credits.

**The Plus-One credit cannot be added as a 12th credit hour to create full-time status.**

Students who plan to be enrolled at least half time, looking for a long-term financial vehicle might want to consider student loans available through the financial aid programs. These loans offer more favorable terms than most credit programs available to students. ### The Nelnet Campus Commerce Interest-Free Monthly Payment Plan

Nelnet Campus Commerce Interest-Free Monthly Payment Plan offers students a semester-based monthly payment plan option that allows students/parents to spread their semester-based education expenses over 3-6 manageable monthly payments. Instead of a semester lump-sum payment, the plan allows students to budget all or part of their education expense into manageable monthly installments.

For more information to access "Your Nelnet Account," please visit Student & Financial Aid on MyMount.

### Payment by a Third Party

The University will bill directly any third party (employers, Armed Services, BVR) for tuition and fees. Any special forms required by the third party's policy must be presented to Student Administrative Services prior to the confirmation date. If the original authorization indicates extended (annual or degree completion) coverage, the University will use that validation for our confirmation process as long as the dates remain in effect, the student continues with the third party, and the third party maintains timely payments.

Any questions regarding third party billing should be directed to Student Administrative Services at 513-244-4418.

### Tuition Deferment Plan

The Mount offers a tuition deferment plan for students with employer tuition reimbursement. Payment of one-third tuition charges plus a non-refundable \$15.00 administration fee are due before the confirmation date.

#### Federal Aid Refund Policy -

##### Complete Withdrawal from the University

Through the 60 percent point in each semester, a pro rata schedule is used to determine how much federal student aid the student has earned at the time of withdrawal. After the 60 percent point, a student has earned all of the federal aid funds for that semester. The withdrawal date is either 1) the date that the student began the withdrawal process; 2) the date that the student otherwise provided official notification to the school of the intent to withdraw; 3) the midpoint of the payment period for which federal assistance was disbursed or a later date documented by the school; or 4) in special circumstances, a date determined by the school. Please see the University Catalog for details on the withdrawal process.

If the day the student withdraws occurs on or before the student completed 60 percent of the semester, the percentage of federal funds earned is equal to the percentage of the semester that has been completed. The percentage of the semester completed is determined by the number of calendar days completed at the time of withdrawal divided by the total number of days in the semester. Unearned funds are returned to the federal aid program in the following order: 1) Unsubsidized Direct Stafford Loan 2) Subsidized Direct Stafford Loan 3) Federal Direct Graduate PLUS Loan 4) Federal direct Parent PLUS Loan 5) Federal Pell Grant 6) Federal Supplemental Education Opportunity Grant 7) Federal TEACH Grant; and 8) Iraq & Afghanistan Service Grant.

### Service Fees

Service fees are added to unpaid student accounts at a monthly rate of 1.5 percent. Payments must be received by the 19th of the month to avoid service fees.

### Refunds

Student account refunds are processed automatically once a credit balance is generated on a student's account and all charges are posted for a term. Students may make a refund preference by accessing their registration screen online. Refunds will be processed within 14 days of the credit being generated on the account.

## GRADES

Students have full access to their grades via MyMount when submitted by the instructor. Please consult the catalog for a description of grade definitions.

## INCOMPLETE GRADES

Students must initiate requests for an I (incomplete) grade with an instructor prior to the scheduled final exam or the final scheduled class for accelerated courses. I (incomplete) grades are only assigned by an instructor for undergrad students who have completed 75% academic progress or graduate students who have completed 50% academic progress in the course, but for a serious reason has not fulfilled all course requirements. I Grade Petitions are available on MyMount.

### I Grade Conversion Schedule

I grades convert to F grades on the following schedule: fall semester I (incomplete) grades change to F = last day of spring semester; spring semester I (incomplete) grades change to F = the end of 3rd week of fall semester; summer session I (incomplete) grades change to F = the last day of fall semester.

## CORE CURRICULUM REQUIREMENTS

These requirements are described at [www.msjs.edu/catalogs](http://www.msjs.edu/catalogs). All of the listed degree requirements must be satisfied before a diploma or transcript with the degree noted will be released.

Students who transfer to the Mount need to consult with their academic advisor for transfer Core LAS requirements, which provides flexible use of transfer courses into the Mount's core curriculum.

## STUDENT RESPONSIBILITY

The final responsibility for fulfilling the requirements of a course syllabus in each class, for meeting all program/ degree requirements, and for complying with University regulations and procedures is the responsibility of the student. Mount St. Joseph University provides academic advising. Students should consult with their academic advisor when selecting courses or making adjustments in their course schedule. Students are expected to attend advising appointments having prepared a tentative schedule of classes.

## TRANSCRIPTS

Only official transcripts are released to a student or a third party. All financial obligations to the Mount must be resolved before release of a transcript will be permitted. However, per Ohio law, a student has a right to access a transcript for purposes of seeking employment regardless of whether that student owes an institutional debt. Students must indicate "employment" as the transcript reason in the request process for the transcript to be released.
