SEMESTER CODES

At the Mount, semesters are identified by combining the session number with the upcoming academic year. For 2013-2014, the sessions are S114 (first semester, 2014), S214 (second semester, 2014) and S414 (summer 2014).

UNDERGRADUATE AND GRADUATE NON-DEGREE STUDENTS

Non-degree (non-matriculated) students are those taking classes who have not been accepted to the College and are not enrolled in a degree program. Non-degree seeking students need not apply for admission. Such students must apply and be accepted through the appropriate office to become degree-seeking students. Non-degree seeking graduate students may earn a maximum of nine semester credit hours under a non-degree seeking status. Non-degree traditional students must sign a clearance form prior to registration. Forms are available in Student Administrative Services.

Traditional students (those out of high school fewer than four years) must obtain formal admission to the College before acquiring more than 13 credit hours. Non-degree traditional students are limited to two courses (six credit hours) per semester or during the entire summer session until reaching the 13 credit hour limit. Traditional transfer students in good standing from an accredited college or university may take their 13 credit hours in one semester or an entire summer session. Students seeking licensure only are excluded from this policy. This policy is implemented at the discretion of the Vice President for Academic Affairs.

ALTERNATIVE LEARNING FORMATS

The Mount offers you the opportunity to complete uniquely designed courses and degree programs that meet in nontraditional time frames.

Meeting Times – Course meeting times vary in summer session. Specific dates and times are listed under each course in the schedule.

Pre-assignments – Go to <http://mymount.msje.edu>, click on the Academics tab at the top, then click the Pre-assignment link on the left side. Pre-assignments must be completed before the first class. Some accelerated classes require a post assignment.

Registration – In order to thoroughly prepare for the accelerated courses, you should register and start the pre-assignment about three weeks in advance. Traditional students may not register for accelerated courses without the specific approval from their assigned academic advisor.

Attendance – Attendance at each class session in the accelerated format is mandatory in order to achieve established learning outcomes.

REGISTRATION PROCEDURES – UNDERGRADUATE AND GRADUATE STUDENTS: <http://inside.msj.edu>

Before registration, please note:

- Set Option settings for Summer Semester 2014 (S414): Summer 2014. Select UNDG = for students in an undergraduate program, or GRAD = for students in a graduate program, DOCT = for students in a doctorate program.
 - Students need to meet with their advisor to plan a class schedule. Select alternate class options in case a preferred class is not available.
 - Graduate students in education and physical therapy must have advisor clearance before registering for classes. Graduate students in religious studies, nursing and organizational leadership do not require advisor clearance before registering for classes.
 - Traditional students must have advisor clearance before registering.
 - Adult students in the following majors: art, athletic training, biology, chemistry, education, mathematics, nursing, paralegal studies, psychology, and social work must also meet with their advisor to plan a class schedule. All students with these specific majors must have advisor clearance before registering for their classes.
 - Adult students in majors other than those listed above are encouraged, but not required, to meet with an advisor prior to registration. Advisor clearance for registration is not required in majors other than those listed above.
 - All students registering for a course that requires approval from the instructor or a program director (e.g., Co-op, Honors Program, Service Learning, or an auto study) need the instructor or program director to give course authorization prior to registering for classes.
 - Go to <http://mymount.msj.edu>, click on the Academics tab at the top, then click the Pre-assignment link on the left side. The pre-assignment must be completed prior to the first class.
- PREQUISITE CHECKING IS ACTIVATED IN REGISTRATION.
 - Special circumstances for registration need to be handled in-person in Student Administrative Services – these include classes being taken for pass/fail or audit, or a registration schedule that totals more than 20 credit hours (After approval by the Vice President for Academic Affairs).
 - Consortium registrations are processed in the Registrar's Office.
 - Students will be expected to have met the specific course prerequisites (or the transfer credit equivalent) before adding a class/section with prerequisites stated in course notes. Students currently registered in a prerequisite course will not be blocked from adding a class with the specific prerequisite. Students blocked from adding a class because of unfulfilled prerequisites need to see their academic advisor.
 - All students registering for a course that has a co-requisite (e.g., any course with a lab, course with a service learning component, etc.) need to register for the lecture portion of the course first, the lab second.
 - If a time conflict exists that has been approved by both instructors, students will need to have electronic authorization from one of the instructors before they register. The instructor will add his or her electronic signature to the course to grant authorization to register.
 - Any student with a financial hold on his/her account will need to work with Student Administrative Services to remove the hold prior to registering.
 - Students are strongly encouraged to meet with their advisor before adding and/or dropping classes. Changing a schedule without the assistance of an advisor is strongly discouraged.
 - The College of Mount St. Joseph provides academic advising to degree-seeking students. However, the final responsibility for meeting all program/degree requirements and being informed of College regulations and procedures rests with the student.

Summer Sessions (S414) 2014

The Registration Help Hotline: 244-4765 for registration questions, or 244-4418 for financial/student account questions.

- Registration assistance is available in Student Administrative Services, Conlan Center, during normal office hours.
- Students not currently enrolled in Second Semester 2014 (S214) may begin to register on February 24, in Student Administrative Services, Conlan Center.
- Students may “wait-list” in registration for the opportunity to be registered into a closed class. If a closed wait-listed class re-opens, students will be registered in the date/time order they were wait-listed. The student will then be sent an email or will receive a phone call letting him/her know he/she has been registered. The student has 24 hours to respond if there is a problem and/or conflict. It is the student’s responsibility to check his/her schedule.

New Students

Graduate students who have never been enrolled at the Mount should contact the Graduate Admission Office.

New undergraduate students should contact the Undergraduate Office of Admission.

Advising

Academic advising is available to all degree-seeking students at the College. Traditional students are required to meet with their advisor before registering for class. Registration clearance must be provided by the academic advisor.

If you have not yet been assigned to an advisor, contact the academic department of your major. Students who have not declared a major, or who are pending official acceptance through Admission, are advised by an advisor in the Academic Advising Resource Center.

In the interest of quality service to our students, all advising is done on an appointment basis. Refer to the *College Catalog*, “Academic Advising Resource Center” for the expected roles of the student and the advisor.

Add/Drop Policies

Adding or dropping summer classes may be done in registration through May 23 for Summer Session I and through July 11 for Summer Session II. **Any student who fails to process an add/drop will receive a grade of FA (failure due to absence). Any student who does not officially add a class will not receive credit or a grade for course work.** After registration access ends for a specific summer session, the instructor’s signature is required on an add/drop form to be processed in Student Administrative Services.

Academic drop dates and financial refund drop dates can be different. Please check the course schedule’s Policies and Procedures before dropping a class to determine eligibility for refunds. The tuition reduction schedule can be found on pages 8-9.

In accelerated evening/weekend classes, adding a course is not possible after the first class meeting.

For assistance in adding or dropping classes contact Student Administrative Services, 244-4418; the Academic Advising Resource Center, 244-4213; or the Registrar’s Office, 244-4621.

Course Withdrawal (Drop) Policy

Each semester or class term has two withdrawal periods. Courses officially dropped during the first withdrawal period are removed from the student’s academic record. A grade of “W” (withdrawal) will be assigned to any classes dropped during the second withdrawal period. The “W” grade is not calculated in the student’s grade point average. The class remains on the student’s academic record. **Accelerated classes are calculated on an alternate calendar schedule based on the class meeting day as stated below.**

Any student wishing to drop a class must fill out and submit a drop/add form. The form must be signed by the student and the advisor. No withdrawals are accepted during the third withdrawal period. Instructors will assign grades for any classes not dropped before the third period begins. The signature of the Vice President for Academic Affairs or his designee is required on the drop/add form to change the effective date of withdrawal.

It is important to note that tuition refund dates and course withdrawal dates are different. Please refer to the tuition reduction schedule which is published in the *Semester Policies and Procedures* for refund information.

Drop/withdrawal dates for standard classes can be found in Dates to Know on myMount under Academics > Registrar’s Office > Documents. A student may contact the Registrar’s Office at 244-4765 for specific drop/withdrawal dates of an accelerated class.

Auditing Courses

Students may audit courses (except auto-study options) on a space-available basis as determined by the instructor and the department offering the course. Audits require the signature of the instructor. Registration in a class for audit needs to be done in-person (not on Web registration) in Student Administrative Services, Conlan Center. A course may be audited only one time (except in topics courses where the content varies with each offering). Audited courses earn zero credit hours. Full-time students (12 or more credit hours) may audit classes tuition-free. Other students pay half price for audited courses. Lab fees for audited classes are additional for all students.

Baccalaureate alumni of the College may audit courses (except auto-studies and online courses) on a space-available basis for \$50, plus any lab fees, provided the appropriate academic prerequisites have been completed.

If a student wishes to change from audit to a grade or vice versa, the change must be made in Student Administrative Services, Conlan Center, during the first quarter of the summer class.

Independent Learning Contracts

Independent learning courses (Independent Studies, Internships, Advanced Studio Problems in Art, Directed Research; and Auto Studies) require the completion of a learning contract. Any student seeking credit through an independent learning opportunity must contact the instructor to discuss and complete a learning contract, **prior to registration of the course.**

RELIGIOUS AND PASTORAL STUDIES MINISTRY TUITION GRANT

Students who are enrolled in the Religious Studies graduate program and who are paid or volunteer ministers serving in congregations, hospitals, health care facilities, social service agencies, dioceses, and schools are eligible to receive the Mount's Religious and Pastoral Studies Ministry Tuition Grant. Verification of employment/volunteer service and submission of FAFSA form are required. Contact Student Administrative Services at (513) 244-4418 for more details.

ONLINE CONSORTIUM OF INDEPENDENT COLLEGES AND UNIVERSITIES

The Mount is a member of the Online Consortium of Independent Colleges and Universities (OCICU). The purpose of the OCICU is to provide students in good academic standing with a means of taking online courses not offered at the Mount. **Undergraduate adult students and advisor-approved traditional seniors** are eligible to enroll. New students are limited to six OCICU credits in their first semester at the Mount.

OCICU courses are all **eight week accelerated courses** and will be **offered on a space available basis**. Mount students are charged Mount tuition when registering through the Online Consortium. Students registering for OCICU courses follow the academic calendar of the provider school. Deadlines for course withdrawals are within the first five (5) days of the courses. Tuition refund schedules do not follow the standard MSJ format. Students may be subject to an enrollment fee depending on the actual withdrawal date. Check with Student Administrative Services for the current fee amount.

OCICU registration occurs through Web registration **after** the advisor/department chair has given course authorization.

OCICU Disability Service Request Policy

Students seeking accommodations for disabilities and who are interested in taking an OCICU course should first contact **Dr. Dana Freer, Director of the Learning Center & Disability Services** at dana_freer@mail.msj.edu or 513-244-4524. She will facilitate the process for obtaining services from the school offering your OCICU course.

Requests for accommodations should be received at least 2 weeks prior to the term start although 30 days is preferable as some services such as audio textbooks or transcribing video/audio feeds may take longer to provide. If the disabilities services provider (OCICU) school is not notified in time to make the necessary arrangements, students may not have their accommodations in place for the course. In this case, students may want to take the course in a later term so their accommodations are available.

GREATER CINCINNATI CONSORTIUM OF COLLEGES AND UNIVERSITIES

Full- and part-time degree-seeking students, both undergraduate and graduate, are eligible to enroll in the Greater Cincinnati Consortium of Colleges and Universities cross-registration program. Degree-seeking Mount students may enroll in a maximum of two courses or six semester hours in Consortium courses each academic year (first semester/S1, second semester/S2 and summer sessions/S4 combined are considered one academic year). Enrollment in Consortium courses must occur concurrently with enrollment at the Mount. Courses taken through the Consortium may not exceed a total of eight courses or 24 semester hours in a student's total baccalaureate degree program. In a total associate degree program, Consortium courses may not exceed four courses or 12 semester hours. A maximum of only two courses or six semester hours may be taken through the Consortium during the student's final 30 hours of Mount residency.

Extenuating circumstances may require an exception to the Consortium cross-registration policy. Appeals for exceptions must be submitted in writing to the Vice President for Academic Affairs. Consortium cross-registration must be done in person (not on Web registration) in the Registrar's Office, Conlan Center. Courses are offered on a space available basis. Mount students are charged Mount tuition when registering through the Consortium. The purpose of the Consortium is to provide students with a means of taking courses not offered at their own college.

The following schools are members of the Greater Cincinnati Consortium: Art Academy of Cincinnati, The Athenaeum of Ohio, Chatfield College, Cincinnati Christian University, Cincinnati State Technical and Community College, College of Mount St. Joseph, Gateway Community and Technical College, God's Bible School and College, Good Samaritan College of Nursing and Health Science, Hebrew Union College-Jewish Institute of Religion, Miami University, Northern Kentucky University, Thomas More College, Union Institute & University, University of Cincinnati, Wilmington College, and Xavier University.

Cross-registration is completed as follows:

1. Check with the Consortium contact person in the Mount's Registrar's Office to secure course information.
2. Obtain a signature of approval from an academic advisor on a consortium registration form.
3. Complete the cross-registration form and register in the Mount's Registrar's Office. The student may wish to call the host school's office to determine the availability of space.
4. Developmental courses taken through the Consortium that are similar in content to those offered at the Mount will be accepted as general electives; however, those courses that are not applied toward a degree at a host institution will not be accepted.

5. Take the cross-registration form to the Registration Office of the school where the course will be taken. Specific times/dates are scheduled for this purpose, and are available for student reference in the Registrar's Office.

If a change in enrollment status (add/drop) is made, the procedure **must be completed at both schools**.

SERVICE LEARNING/PLUS-ONE OPTION

The Service Learning program provides an option for students to integrate a community service project with a course they are currently taking. Students are invited to enroll for a course offering the Plus-One Credit or may request instructor approval to add the Plus-One Option to another course. Service learning courses follow the lecture course in the course listings. Attendance at an orientation session and the Service Learning coordinator's approval on the Web is required before adding this option. Students are not charged for the Plus-One Credit. Participants complete a learning agreement that will document the Plus-One Service Learning objectives, student expectations and evaluation criteria. Students will be expected to complete a minimum of 30 hours on-site with identified community organizations. Students are also required to participate in an orientation and a guided reflection session. The extra credit hour is pass/fail, is classified as a general elective and will be documented as Service Learning on the student's transcript. Students may register for only one service credit in an approved course during a semester and may accumulate no more than three transcript-documented Plus-One Option credits.

The Plus-One Credit cannot be added as a 12th credit hour to create full-time status.

DISABILITY SERVICES

In compliance with Section 504 of the Rehabilitation Act of 1973, the College of Mount St. Joseph provides academic adjustments and auxiliary aids for students with physical or mental impairments that substantially limit or restrict one or more of such major life activities as walking, seeing, hearing, or learning.

The College provides these reasonable academic adjustments and auxiliary aids to eligible students at no charge, according to students' individual needs. Advocacy assistance on disability related issues is also provided. Eligibility depends on the nature of the impairment and its impact on the particular individual and is based on documentation from a qualified professional. Further information can be found at www.msje.edu/learningcenter.

Students whose primary disability is a specific learning disability and/or ADHD may apply to Project EXCEL. Project EXCEL addresses the needs of this specific group of students through a comprehensive academic support system. Project EXCEL is a fee-for-service program. Students must

be admitted to the College of Mount St. Joseph before applying for Project EXCEL. Learn more about Project EXCEL at www.msje.edu/excel.

PAYMENT PROCEDURES

Tuition Rates

Tuition rates for both full-time and part-time students taking courses during any summer session are the same regardless of the total number of credit hours taken. The summer 2014 rate is \$500 per credit hour for undergraduate tuition and \$565.00 for graduate tuition (except for some graduate courses which have varying fees). In addition, some courses may have additional lab fees. All rates are subject to change in 2014.

Music Classes

Charges for specific music courses will follow these guidelines:

Applied Music Fee 1.0 cr - \$200

Applied Music Fee 1.5 cr - \$400

Private applied music lessons do not satisfy Core Curriculum requirements.

Senior Citizen Tuition

Persons 65 years of age or older are eligible to enroll tuition-free in most undergraduate courses which have room and for which necessary prerequisites have been fulfilled. Independent studies, online courses, and certain other courses are exceptions to this policy. Lab fees and additional expenses are at the regular rate.

Registration Confirmation

Summer Sessions Payment Date: May 12, 2014

All tuition and fees are payable in full at least one week before the first official day of the summer term. Payment for all summer courses, regardless of the individual start dates, will be due one week prior to the start of the first session. The confirmation due date for summer sessions is May 12, 2014. After May 12, payment will be required at the time of registration for any summer course.

The summer sessions will be billed as one unit beginning in May. Any unpaid balance at the end of each billing cycle will result in a service fee being added to the account at an annual rate of 18% (monthly rate of 1.5%).

- Students with delinquent accounts may not register for classes until outstanding balances have been paid.
- Students whose employers will prepay tuition directly to the student need to register early enough to allow time for those funds to be sent to the College by the confirmation date.

- If extraordinary circumstances prevent the confirmation payment from being made on time, students should contact Student Administrative Services to investigate possible solutions.
- Payments for classes added to an existing registration (assuming an additional charge is generated) that are not received within the timeframe noted above will result in the cancellation of the ENTIRE registration.
- Any registration that is not confirmed with payment in full within the allowed timeframe may be canceled. Registration with partial payments will not be confirmed.
- Students with canceled registrations must re-register and meet their entire financial commitment at that time, including a \$25 re-registration fee.
- During the week immediately prior to the start of classes, payment will be required before a registration will be processed.

Payment Instructions

Payment may be made by cash, check, money order, VISA, MasterCard, Discover, and American Express.

Payments should be mailed to:
College of Mount St. Joseph
Fiscal Operations
5701 Delhi Road
Cincinnati, Ohio 45233-1670

Student payments can also be made online for tuition and fees through myMount. Online payments can be made by credit card or from a checking or savings account. Simply log in to myMount and access your Course and Fee Statement under the Finances tab. Make sure the correct semester is displayed and then follow the links to make a payment online. Payments received online will be processed within 2 business days.

Please include the correct student identification or Social Security Number with payment.

Payments can also be made in the Student Administrative Services Office weekdays from 8:30 a.m. to 4:30 p.m. During periods when evening classes are in session, Student Administrative Services has extended hours until 6:30 p.m. on Tuesdays. If documentation for reimbursement is needed, a Student Data Sheet may be requested from Student Administrative Services or printed from our Web site.

Contact Student Administrative Services at 244-4418 to phone in VISA, MasterCard, Discover, and American Express payments.

PAYMENT OPTIONS

Financial Aid/Student Loans

Students are encouraged to apply early for financial aid in order to have a package by the confirmation date. Awards are made on a first-come, first-served basis as long as funds are available.

Students who plan to be enrolled at least half time and are looking for a long-term financing vehicle might want to consider student loans available through the financial aid programs. These loans offer more favorable terms than most credit programs available to students. Please contact Student Administrative Services at 244-4418 for details regarding student loans and the availability of other types of financial aid or visit www.msj.edu.

Payment by a Third Party

The College will bill directly any third party (employers, Armed Services, BVR) for tuition and fees. Any special forms required by the third party's policy must be presented to the Student Administrative Services Office prior to the confirmation date. If the original authorization indicates extended (annual or degree completion) coverage, the College will use that validation for the confirmation process as long as the dates remain in effect, the student continues with the third party, and the third party maintains timely payments. Students eligible for third party payments are not excluded from the monthly student account statement billing process.

Any questions regarding third-party billing should be directed to Student Administrative Services.

Tuition Deferment Plan

The Mount offers a tuition deferment plan for students with employer tuition reimbursement. Payment of one-third tuition charges plus a non-refundable \$15 administration fee are due by the confirmation date. Also, a policy from the employer stating eligibility for reimbursement must be submitted. Contact Student Administrative Services at 244-4418 to sign up for the Tuition Deferment Plan or visit our Web site for more information and/or forms.

Tuition Reduction Schedule

Tuition reduction for dropped classes is based on the date the add/drop form is received by Student Administrative Services. The postmark date is used if the form is mailed to Student Administrative Services (adult students only). Students can add or drop classes on the Web for each summer session until the specific dates for ending Web access as listed in Dates to Remember. The reduction rate is valid through the last business day of each reduction period.

Reducing the number of credit hours you are enrolled in each semester may also reduce financial aid.

Summer Session I and II

Drops before session begins	100% credit
Drops during first eighth of session	75% credit
Drops between first eighth through the first quarter	50% credit
Drops after first quarter	0% credit

OCICU Tuition Reduction Policy

Please note that OCICU courses do not follow the Mount's regular tuition refund schedule. After the course begins, all registration changes must be made in the Registrar's Office at the College of Mount St. Joseph. *Part-time students who withdraw after 3:00 p.m. on the fifth day from when the course begins (this includes weekends) will receive NO refund for tuition per course. Full-time students who withdraw after 3:00 p.m. on the fifth day from when the course begins (this includes weekends) will be charged an enrollment fee per course. Check with Student Administrative Services for the current fee amount.

Federal Aid Refund Policy – Complete Withdrawal from the College

Through the 60 percent point in each semester, a pro rata schedule is used to determine how much federal student aid the student has earned at the time of withdrawal. After the 60 percent point, a student has earned all of the federal aid funds for that term. The withdrawal date is either 1) the date that the student began the withdrawal process; 2) the date that the student otherwise provided official notification to the school of the intent to withdraw; 3) the midpoint of the payment period for which federal assistance was disbursed or a later date documented by the school; or 4) in special circumstances, a date determined by the school. Please see the *College Catalog* for details on the withdrawal process.

If the day the student withdraws occurs on or before the student completed 60 percent of the semester, the percentage of federal funds earned is equal to the percentage of the semester that has been completed. The percentage of the semester completed is determined by the number of calendar days completed at the time of withdrawal divided by the total number of days in the semester. Unearned funds are returned to the federal aid program in the following order: 1) Unsubsidized Direct Stafford Loan 2) Subsidized Direct Stafford Loan 3) Federal-Perkins Loan 4) Federal Direct Graduate PLUS Loan 5) Federal Direct Parent PLUS Loan 6) Federal Pell Grant 7) Academic Competitiveness Grant 8) National SMART Grant 9) Federal Supplemental Education Opportunity Grant 10) Federal TEACH Grant; and 11) Iraq & Afghanistan Service Grant.

Service Fees

Service fees are added to unpaid student accounts at a monthly rate of 1 $\frac{1}{2}$ percent. Payments must be received by the 20th of the month to avoid service fees.

Refunds

Student account refunds are processed automatically once a credit balance is generated on a student's account and all charges have posted for the term. Students may make a refund preference by accessing their web registration screen online. Refunds will be processed within 14 days of the credit being generated on the account once attendance has been verified for the student.

GRADES

Students have full access to their grades via the Web when submitted by the instructor. Grade reports will be mailed only upon written request to the Registrar's Office, Conlan Center. NR grades indicate that grades have not been reported by the instructor. Please contact your instructor with any questions.

INCOMPLETE GRADES

Students must initiate requests for an I (incomplete) grade with an instructor prior to the scheduled final exam or the final scheduled class for accelerated courses. I (incomplete) grades are only assigned by an instructor for a student who has made significant academic progress in the course, but for a serious reason has not fulfilled all course requirements. I Grade Petitions are available in each academic department.

I Grade Conversion Schedule

I grades convert to F grades on the following schedule: fall semester 1 (Incomplete) changes to F = last day of spring semester; spring semester 2 (Incomplete) grades change to F = the end of third week of fall semester; summer session (Incomplete) changes to F = the last day of fall semester.

CORE CURRICULUM REQUIREMENTS

Undergraduate students admitted to the College of Mount St. Joseph, pursuing baccalaureate and/or associate degrees, must fulfill the requirements of the Core Curriculum as an integral part of their course of studies. These requirements are described at www.msj.edu/catalogs. All of the listed degree requirements must be satisfied before a diploma or transcript with the degree noted will be released.

Students who transfer to the Mount need to consult with their academic advisor for transfer Core requirements, which provides flexible use of transfer courses into the Mount's core curriculum.

STUDENT RESPONSIBILITY

The final responsibility for fulfilling the requirements of a course syllabus in each class, for meeting all program/degree requirements, and for complying with College regulations and procedures rests with the student. The College of Mount St. Joseph provides academic advising. Students should consult with their academic advisor when selecting courses or making adjustments in their course schedule. Students are expected to attend advising appointments having prepared a tentative schedule of classes.
