You Can Help Make Dreams Come True...

*By giving her the prom dress
she thought she'd never have.*

Every girl dreams of her prom night, but some cannot afford to pay for a dress due to their families' financial limitations.

That's where Kenzie's CLOSET comes in — **Your donation of gently worn gowns, wraps, jewelry, new shoes and accessories** will be given free of charge to economically disadvantaged Cincinnati area high school students. With your help, more than 300 girls receive free prom dresses every year from Kenzie's CLOSET!

Makana Anne Comisar was a student at St. Ursula Academy when she was tragically killed in a single-car accident in 2002 before she was able to attend her senior prom. Kenzie was known for her big heart and generosity. Because of this legacy of love, Kenzie's CLOSET was born.
